

## **Brian Gill**

### **Chief Product & Technology Officer**

Brian comes to DAT with a proven track record in delivering successful product strategies and revitalizing renowned companies' technology offerings. He is committed to enabling faster market adaptability through innovation, has developed service architectures that cater to a diverse portfolio of business verticals, and provides high availability experiences to our customers.

Before joining DAT, Brian spearheaded the enterprise-wide product strategy at Nordstrom, transitioning the company from a century-old brick and mortar establishment to a digital-first leader. Prior to this, he played pivotal technology leadership roles at Expedia and Hotwire.

Brian received his bachelor's degree in English and Philosophy from the State University of New York, Oswego.
