PROFESSIONAL GRADE SOIL FOR HOMEOWNERS

Proven Winners Premium Potting Soil made from a blend of composted bark, premium Canadian Sphagnum peat moss and horticultural grade perlite.

All sized bags are premixed with Proven Winners 15-7-15 + Minors Premium Continuous Release Plant Food, which provides a continuous nutrient release to help ensure consistent feeding while providing a base level of nutrition. Both the 1.5 cu. ft. and 16 qt. sizes contain dolomite lime to buffer soil pH, and a wetting agent for thorough water distribution.

The result is a medium weight mix with excellent air porosity and drainage - all important features to give you the best growth and most vibrant, colorful flowers, and healthy vegetables.

Maximize flowering
with Proven Winners
All Purpose Potting Soil.
