

WEATHER RESISTANT FIRESTOP SPRAY

# Curtain Wall Spray

FastTack® Firestop Spray is the ultimate in weather resistant firestop sprays. FastTack®'s hybrid copolymer formula was developed to counter the stalling effects of weather while providing unmatched washout resistance and the industry's fastest tack free times. Fast Tack® Firestop Spray is engineered to form a durable, flexible, water-resistant shield; providing the most versatile protection on the market.

## Features & Benefits

- Spray up till the first drops of rain
- Tack free within 35 minutes
- Resistant to wind-driven rain, ASTM D6904
- Will not washout
- Cures even in below freezing conditions
