

# SpecSeal® Flute Filler Plugs and Strips

SpecSeal® Flute Filler Plugs and Strips are pre-formed mineral wool plugs sized to fit 1.5 in, 2 in, and 3 in steel decks. Made from UL Classified mineral wool batt insulation\*, the plugs and strips provide up to 4 hour ratings when used in conjunction with approved SpecSeal® sealants and coatings.

\*Made from one of the following mineral wool brands: IIG, Roxul, Rockwool Mfg or Thermafiber.

## Applications

Head-of-Wall Joints.

## Limitations

This product has been designed to be safe with plastics. It has been used extensively and successfully with various types of plastic pipes, tubes, and plastic cable insulations. Variations in these materials, however, make it impossible to guarantee compatibility. STI strongly recommends that the user consults with the pipe, tubing, or cable manufacturer in question regarding any known sensitivities or potential restrictions before applying this product.

## System Selection

To find your firestop system or create a submittal, visit <https://systems.stifirestop.com/> to use System Search & Submittal Builder. You may also visit the [UL Online Certifications Directory/UL Product iQ™](#) for complete listings. (Firestop Systems).

## Features & Benefits

- Precut mineral wool plugs fit to standard size steel deck flutes.
- Reduces material waste.
- Improves productivity on job sites.
- Available in three common sizes.
- Provides a smooth surface to enhance coverage of applied sealants and coatings.

## Technical Service

Specified Technologies Inc. provides toll free technical support to assist in product selection and appropriate installation design. UL System designs suitable for submittal or specification purposes are available on request. A complete library of technical information is provided at the company's website [www.stifirestop.com](http://www.stifirestop.com) including Safety Data Sheets (SDS's).

## Availability

SpecSeal® Flute Filler is available from Specified Technologies Inc. (STI) authorized distributors. For additional purchasing and technical information or for the names and locations of the nearest representative and/or distributor, regarding this and other Specified Technology products, please call 1-800-992-1180 or visit [www.stifirestop.com](http://www.stifirestop.com).

## PHYSICAL PROPERTIES

Appearance	Fibrous yellow insulation material
Dimensions - F11235	1-1/2" x 3.5" x 4.5" x 48" (38 mm x 89 mm x 114 mm x 122 cm)
Dimensions - F20045	2" x 4.5" x 5.5" x 48" (51 mm x 114 mm x 140 mm x 122 cm)
Dimensions - F3005	3" x 5" x 7" x 48" (76 mm x 127 mm x 178 mm x 122 cm)
Dimensions - FSTRIP	1" x 2" x 48" (25 mm x 51 mm x 122 cm)
Product Form	Mineral Wool, synthetic vitreous fiber
Shelf Life	No Limit
