

Hard To Place Lawyers

Program Overview

Synergy's Hard to Place Lawyers Program caters specifically to small to medium-sized law firms that are non-renewed or struggle to find coverage in the standard market. This program, non-admitted in all states except Kentucky where we are admitted, offers amend limits up to \$5,000,000/\$5,000,000 and deductibles ranging from \$2,500 to \$5,000. It is designed to address claims frequency and severity, difficult practice profiles such as entertainment law, personal injury including class action and medical malpractice, SEC (public/private transactions), intellectual property, and various other challenging areas.

Additionally, Synergy's program tackles issues like sanctions and penalties, gaps in coverage including retro date repair, and unique, one-of-a-kind coverage requests. By providing tailored solutions for these complexities, the program ensures comprehensive protection for law firms facing diverse and high-risk exposures. This makes it an invaluable resource for firms needing specialized coverage that is often unattainable through conventional insurance markets.
