

Excess Lawyers Program

Program Overview

Synergy provides tailored risk eligibility coverage for those seeking added protection to U.S. law firms. With two markets options for attorneys, non-admitted and admitted with \$5,000,000 with each market.

We target both standard and non-standard business classes, including those with claims frequency and severity, and those with difficult practice profiles such as entertainment law, personal injury including class action and medical malpractice, SEC (public and private transactions), intellectual property, and many others.
