PROGRAMS

Protect your client's medspa from head to toe with a top-notch, tailored insurance program.

Breckenridge's exclusive medspa insurance program provides comprehensive coverage for facilities that offer advanced medical-grade treatments and procedures. Medspa insurance coverage is a special variety of professional, general, and other liability coverages but as each medspa provides different treatments and procedures, "one size fits all" coverage may be harmful for businesses. At Breckenridge, we offer competitive, tailored coverage solutions with our competitive medspa program to protect your clients medspa.
