The TYVASO and TYVASO DPI Co-Pay Assistance Program may cover all or a portion of a patient's monthly (30-day) co-pay cost up to the annual maximum benefit.

- This Program is only valid for the patient's co-pay cost of the drug (TYVASO or TYVASO DPI) and not applicable to any related supplies or other medical expenses associated with administering the product.
- The patient will be responsible for any remaining balance in excess of the annual maximum program benefit.
- The current annual maximum benefit is \$8,000.00 for TYVASO/TYVASO DPI during a calendar year.
- The Co-Pay Assistance Program will provide an additional maximum benefit of \$4,000.00 if a patient is transitioning from one TYVASO product to another (nebulized to DPI) within the same calendar year due to the change from medical to pharmacy benefit or vice versa. The increased annual limit applies only within the year of transition.
 - Example: For a patient that is transitioning from TYVASO to TYVASO DPI, the Co-Pay Assistance Program will pay an additional \$4,000.00 during the calendar year in which the transition occurs.

Patient Terms and Conditions

By using the TYVASO and TYVASO DPI Co-Pay Assistance Program you acknowledge that you currently meet the eligibility criteria and will comply with the terms and conditions described below:

- The Program is valid only for patients with commercial (also known as private) insurance who are taking the medication for an FDA approved indication.
- Patients using Medicare, Medicaid, or any other state or federal government program to pay for their medications are not eligible. Patients who start utilizing government coverage during the term of the Program will no longer be eligible.
- Eligible patients must be a resident of the US or Puerto Rico.
- The Program is subject to additional state law restrictions. Patients residing in select states may not be eligible for the Program.
- This Program is only valid for cost of the drug and not applicable to any related supplies or other medical expenses associated with administering the product.
- This Program is not conditioned on any past, present or future purchase, including refills.
- Void where prohibited, taxed or restricted by law.
- The patient confirms that this Program is consistent with patient's insurance. The patient is responsible for reporting the receipt of all Program benefits as required by the insurance company.
- This Program is not insurance and is not intended to substitute for insurance.
