#EVRK IMAGES

PROBLEM

The last oil change was performed at 20,452 miles (neglected maintenance).

SOLUTION

The BG Dynamic Engine Restoration Service: a powerful, safe engine and fuel system cleaning service.

Features

- Removes oil sludge and varnish
- Restores compression
- Harmless to oil pumps, seals, and gaskets

Benefits:

- Lowers tailpipe emissions
- Reduces oil consumption
- Improves overall power and engine efficiency

SERVICE RESULTS

CRANKCASE

BEFORE

AFTER

SUMMARY

The oil pan was taken off after the service and there was NO debris in the pan. The oil pump pick-up was completely clean.

Customer Testimonial: This is truly an incredible BG service!
