ABOUT JOBSOHIO

The State of Ohio is rapidly attracting infrastructure and leading-edge technology to fuel an unstoppable chain reaction of growth and expansion in the years to come. This powerful economic trend, accelerated by State investments and incentives, promises to establish Ohio as a new center of gravity for innovators and entrepreneurs seeking to build America's next-generation, digitally enabled economy.

JobsOhio, the State's unique private economic development corporation, acts as a catalyst for high-growth business investments and job creation that are helping propel the State's ingenuity and ambitions forward. Founded in 2011, JobsOhio is a first-of-its-kind, state-authorized, non-profit built with the stable financial resources, seasoned private sector expertise and the long-term investment outlook needed to attract, retain, and expand businesses, payrolls, and career opportunities across the State.

JobsOhio's programs and job-ready sites empower world-class corporations, entrepreneurs, and talented individuals to build their businesses and careers in Ohio. We collaborate with Ohio's regional economic development organizations, academic institutions, federal installations, business sector organizations, and the State of Ohio to deliver comprehensive programs and investment initiatives that incubate innovations, enable sustainable economic growth, and enhance the quality of life for Ohioans through the power and dignity of work.

STRATEGIC INITIATIVES

Prepare job-ready sites for companies seeking to establish or expand operations in the State.

Establish Ohio on the leading edge of technology and attract the best and brightest companies and talent to drive Ohio's future.

Attract, retain, upskill, and reskill Ohio's workforce and attract in-demand talent to the State.

Invest in underrepresented populations and geographies and connect people to career-building resources.

UNIQUE FUNDING MODEL

JobsOhio is private and self-funded. We use zero tax dollars.

- JobsOhio is a private nonprofit corporation wholly funded by an independent private source – the profits from the JobsOhio Beverage System (JOBS) liquor enterprise – that JobsOhio purchased in 2013 and manages today.
- JOBS liquor profits provide a stable funding source which allows JobsOhio to utilize a longer-term horizon for funding economic development activities.

ACCOUNTABILITY & TRANSPARENCY

JobsOhio is dedicated to the success of Ohio and the companies that invest in the State.

- JobsOhio maintains the highest standards of accountability, transparency, ethical conduct and responsible business practices.
- Complete public reporting of how JobsOhio spends private dollars to attract and retain business investments and jobs is available on the JobsOhio website.
