

Use this worksheet to help you research a topic that you want to tell a story about.

Name

Lawrence

What is the topic?

Protecting seagrass at resorts

Why is it important? (3 things)

1. Prevents beaches from eroding

2. Captures and stores carbon dioxide

3. Is food for turtles

What risks does it face? - reword to something more like "what arguments could people have that is the opposite of what you have."

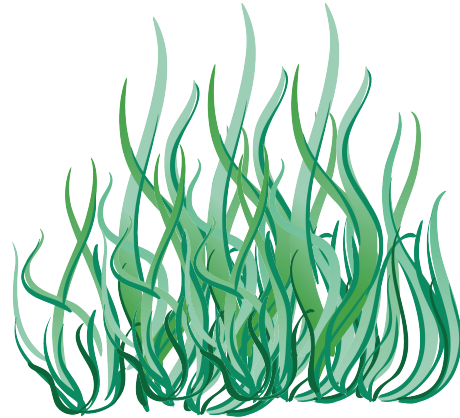

Resorts remove it because it is smelly and tourists don't like it when it is washed up on the beach.

Who is your audience?

Resort general managers

What action can people take?

Write reviews saying how much they love seagrass and seeing animals in it

Draw a picture of your topic
