

This activity was made from resources developed by Seagrass Watch

Can you identify the seagrasses?

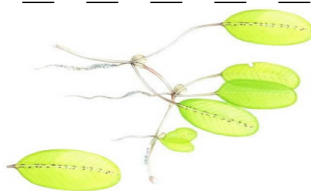

Cut out the seagrasses at the bottom of the pager and use the chart below to identify them. Stick them down where you think they belong. Email your answer's to marine-laamu@sixsenses.com for marking.

Halodule pinifolia

Halophila ovalis

Thalassia hemprichii

Syringodium isoetifolium

Thalassodendron ciliatum

Cymodocea rotundata
