DINING

The Market
Kick-start your day enjoying a delicious breakfast with your feet in the sand. A plentiful selection of freshly cut fruit, all-time classics, healthy juices, and fluffy pancakes await you, along with freshly brewed coffee. For dinner, choose from an array of international dishes or indulge in our themed buffets.

Bottega
Traditional Italian recipes, passed down through the generations, land on Kanuhura's shores. We've simply added a contemporary twist. The pizza oven is the centerpiece of Bottega, carrying the inviting smell of homemade sour-dough pizzas on the breeze. Large sharing plates and salads, homemade pasta with fresh herbs from the organic garden, and local seasonal ingredients are complemented with a selection of Mediterranean wines, Italian aperitivos, and classic cocktails.

Drift
Freshly caught local reef fish sizzle slowly on the grill, marinated with fresh herbs from our organic garden and local spices, along with crisp, refreshing colourful salads, light curries, and seafood dishes. All are available as a castaway lunch on a deserted island, with only a passing crab for company.

Sip & Sand
Relaxing poolside moments and ocean views call for a hearty lunch, with charcoal-grilled meats and the fresh catch of the day. As the sun sets over the ocean, our chefs change the mood and menus to a Japanese-fusion twist, with sushi, sashimi, golden crunchy tempura, and fresh seafood selections. Our bartenders shake, muddle, and stir colourful cocktails or freshly squeezed juices to refresh you after a dip in the pool and in time for the sunset.

The Point
On the northern tip of Kanuhura, The Point features a Spanish-influenced menu with tapas and nibbles to share, while the wine bar serves up some of the finest labels from around the world. The finest ingredients are selected fresh from our organic garden, local fishermen, and famers, as well as from the wider region. For those seeking a more interactive dining experience, pull up a seat to our counter and watch as our chefs prepare and share their tips and secrets.

Sunset Point
During the day, this rooftop retreat will provide light bites, comforting lunches, and unrivalled views over the sprawling Lhaviyani Atoll. Linger longer to hit cocktail hour. Join our resident in-house DJ for some laidback vibes and the ultimate Maldives sundowner experience.

Scoops
Try not to get a brain freeze while trying your scoops of our complimentary Six Senses ice cream and sorbet. Sweet treats include daily baked cakes and cookies. You can also opt for a healthy freshly squeezed juice using thirst-quenching, immune-boosting, and vitamin-packed fruit and vegetables.
