

Six Senses Uluwatu, Bali

Six Senses Uluwatu, Bali is located at Pecatu in the southernmost tip of Bali which is the home of “Pura Uluwatu”, the sacred Uluwatu temple, considered one of the core spiritual pillars of the island. Uluwatu is where centuries-old tradition and reverence mixes with beautiful beaches, inviting surfing spots and an eclectic wellness and dining scene. The setting of this beautiful Balinese inspired resort is breathtaking, with dramatic views of the Indian Ocean from atop the limestone cliffs and uninterrupted ocean views from all facets of the resort.

- Bali’s only green resort certified by the World Green Council*
- Panoramic views of the Indian Ocean from all room categories*
- Accommodations ranging from 1,162 sq.ft. (108 sq.m.) to 39,352 sq.ft. (3,656 sq.m.)*
- Six Senses Spa with Integrated Wellness, an air-conditioned yoga pavilion, captivating relaxation zones and state of the art fitness facilities*
- Outstanding crafted experiences offering unparalleled cultural and destination immersions*
- Diverse dining choices*
- Infinity swimming pools with breath taking views of the ocean*

ACCOMMODATIONS

Located in the southernmost tip of the Island, on the famed limestone cliff of Uluwatu, with dramatic views of the Indian Ocean, Six Senses Uluwatu, Bali offers a sense of calm and serenity where time stands still. Natural vegetation and lush landscaping provide a sense of privacy and seclusion between villas. From all facets of the Resort, whether it is from the suites and villas or the restaurants, enjoy the tranquility of uninterrupted views to the Indian Ocean.

Six Senses is right in its element on an island deeply rooted with harmony and deep ties to nature. Set atop a rugged cliff, the resort shares a spectacular view with the island's famed Uluwatu Temple, one of the key temples believed to be Bali's spiritual pillars. True to the Six Senses inimitable style, the resort's 28 sky villas, 62 one-bedroom villas and seven two-bedroom villas, The Retreat and the Presidential Villa draw upon the local culture, embrace nature and offer every creature comfort.

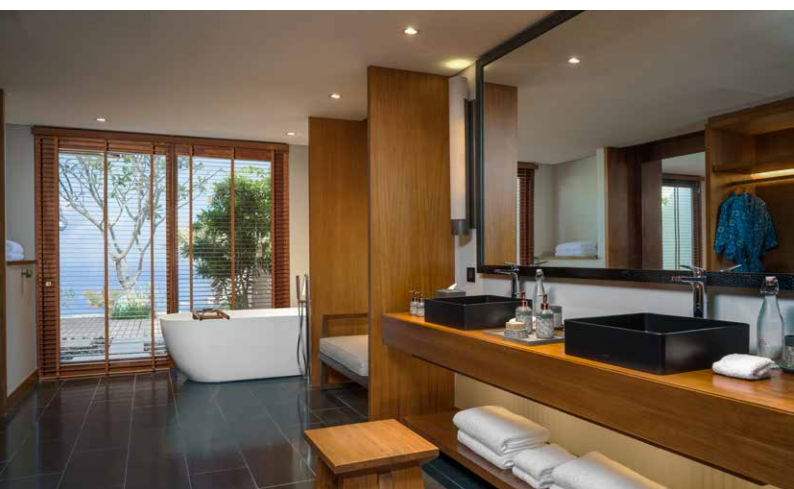

The groundbreaking Sleep With Six Senses standard has been implemented across selected accommodations to give guests the kind of night's sleep where they wake up ready to move mountains. Handmade mattresses by Naturalmat complemented by Hanse organic pillows and duvets, high quality Beaumont & Brown organic cotton sheets and Madison Collection toweling and bathrobes are all essentials in every guestroom.

GUEST SERVICES

- 24-hour GEM (Guest Experience Maker)
- 24-hour in-room/in-villa dining
- Multilingual hosts
- Six Senses Spa and Spa Boutique
- Fitness center and personal trainer
- Six Senses Boutique – select designer casual clothing and swimwear, local artwork, accessories, home decor and light furniture
- Earth Lab – this is where the property showcases sustainability initiatives that support communities and ecosystems. Guests are invited to reconnect with the natural world and learn some simple life-hacks that will allow them to make a difference.
- Indoor and outdoor fun activities at Grow With Six Senses which incorporates the six dimensions of wellness (social, environmental, physical, spiritual, emotional and intellectual) so kids can reconnect with nature and others around them. The focus is on out-of-the-ordinary experiences: everything from the active (swimming, cooking classes) to the relaxing (nail art at the salon, yoga) and the creative with a local twist (recycling and handcraft workshops, painting).
- Concierge - to help plan excursions to explore Bali from land, sea and air.

MEETINGS AND EVENTS

Whether planning a product launch, tying the knot or renewing personal vows in Bali, Six Senses Uluwatu, Bali features a dedicated indoor function space and outdoor areas for the big day, featuring a large lawn space for the wedding ceremony complete with stunning views to the Indian Ocean. An on-site events coordinator assists in planning custom-made meetings and events.

DINING

The resort offers an eclectic range of cuisine both as an ode to the local Balinese food culture and internationally influenced fare. The brand's approach to food and drink, Eat With Six Senses, ensures that guests can enjoy their vacation safe in the knowledge that they are eating better quality food by default, through cleaner and healthier ingredients that are responsibly sourced and thoughtfully prepared.

Crudo is the culinary heart of Six Senses Uluwatu, Bali. It features a unique dining concept for Bali - a Nikkei style sushi-ceviche bar menu prepared with local handpicked ingredients.

Rocka brings the farm to the table with fresh produce and local ingredients on the cliff's edge; offering breakfast, lunch and dinner inspired by flavors from the region.

Rocka Edge promises never a dull moment at the Chef's Table! The chef prepares a new exclusive daily dinner menu in the open kitchen with the fresh harvest and catch of the day.

The Cliff Bar offers the best panoramic views of Uluwatu. It features freshly oven baked specialties combining Southeast Asian spices with traditional doughs and homemade pastas.

SIX SENSES SPA AND WELLNESS

Six Senses Integrated Wellness provides the best base possible to help guests flourish, in tune with their natural flow. From pioneering experts and wellness practitioners to a unique blend of high-tech science and high-touch therapies. From the food they eat to the way they sleep, wellness is integrated into the whole Six Senses experience.

- A non-invasive screening is available to guests who want to gain a deeper insight into their health. It analyzes key physiological markers of health, with the results enabling Six Senses wellness experts to design a personal program of spa treatments and activities and provide nutritional advice.
- Wellness programs such as Cleanse & Detox, Trim & Fit, Sleep & Resilience, Full Potential, Discover Yoga, Yogic Detox and Yogic Sleep help guests along the way to achieving optimum wellness.
- Sleep Upgrade for guests wanting to improve their sleep quality. It starts with an online questionnaire and includes a Sleep Bag with sleep aids and bathroom amenities, moisture wicking linens and options such as a sound machine, specialty pillows and humidifier. Guests are also equipped with a sleep tracker, the results of which are interpreted during a 30-minute consultation with a wellness expert who recommends a personalized program of lifestyle adjustments and treatments.
- Each year Six Senses Spa welcomes popular Visiting Practitioners in alternative medicine to heighten and enlighten guest experiences.
- The spa features 10 treatment rooms, nail bar, retail and relaxation areas, communal wet facilities with a jet pool and experience shower.
- State-of-the-art fitness center features traditional cardio and weight machines with functional training equipment. There is an outdoor fitness circuit and yoga and meditation pavilion.
- Skincare brand - ila.

EXPERIENCES
