

BIRD PERCH DETERRENT FOR USE ON CONICAL STRUCTURE ARMS AND CROSSMEMBERS

INSTALLATION INSTRUCTIONS

IMPORTANT SAFETY INFORMATION

READ AND COMPLETELY UNDERSTAND ALL INSTRUCTIONS BEFORE INSTALLING PRODUCT. FAILURE TO FOLLOW THESE INSTRUCTIONS MAY RESULT IN PERSONAL INJURY OR DEATH.

This product is intended for use by trained technicians only. This product should not be used by anyone who is not familiar with and not trained to use it. When working in the area of energized lines, extra care should be taken to prevent accidental electrical contact. Be sure to wear proper safety equipment per your company protocol. These instructions are not intended to supersede any company construction or safety standards. These instructions are offered only to illustrate safe installation for the individual. PLP products are intended for the specified application only. Do not modify this product under any circumstances. Do not reuse or reinstall any PLP product unless that capability is expressly indicated in the product's Installation Instructions. For proper performance and personal safety, be sure to select the proper PLP product before installation. PLP products are precision devices. To ensure proper performance, they should be stored in cartons under cover and handled carefully.

PACKAGE COMPONENTS

1. Bird Perch Deterrent

NOTE: Attachment straps are not included.

- 1 Connect two Bird Perch Deterrents together by attaching the spiral of one to the straight leg of the other. Twist the spiral until it is fully installed.

- 2 Repeat this process as many times as necessary to cover the required length. Each Bird Perch Deterrent covers 8 inches (20 cm) on the conical pole arm.

- 3 Strap the chain of Bird Perch Deterrents along the pole arm, starting from the end closest to the base plate. Apply the first strap at the bend closest to the spiral leg of the first Bird Perch Deterrent and additional straps at each Bird Perch Deterrent's central bend. Apply the last strap at the bend nearest the straight leg of the final Bird Perch Deterrent.
