COBRANDED APPAREL

We work with most major apparel vendors in the golf industry. Your options are nearly *unlimited* when it comes to the variety of apparel to choose from. All apparel comes with our iconic Putter Boy logo and can be co-branded with your corporate or event logo.

Please

Contact our Corporate Retail Coordinator, Ally Campbell, for quotes on merchandise. Pricing is based off of quantity, lead time, and number of logos added.

COBRANDING POLICY

- Pinehurst Resort welcomes the opportunity to place your corporate logo, event logo, or text alongside our iconic Putter Boy.
- Please note that the primary logo location on any piece is reserved for the Putter Boy. Your logo will then be placed in a secondary location.
 - For example, if the Putter Boy logo is on the left chest of a shirt, your corporate logo can be placed on the sleeve or center back of the garment.
- Pricing for additional logos has many variables and will be added to the price of the garment on a case by case basis.
- Providing a digitized logo for embroidery (.dstfile) will reduce the cost of embroidery and lead time required to receive product on time.
 - If you do not have a .dstfile available, we can send a high quality .jpeg or .eps file to our embroiderer to create one for a \$50 digitizing fee.
- If we are required to take your logo from an art file to a fully digitized embroidery file, we must have your logo art work at least one month ahead of your event date. This allows us time to digitize the logo, provide a sew out for proofing, make changes if necessary, and get the final approval.
- Please note that only the Putter Boy logo can be co-branded alongside another logo. All other Pinehurst logos can only be customized with the addition of text.
