Why Equinox Multi?

The Equinox Multi collection is a great option for those who desire a higher-end experience than traditional luxury vinyl while also remaining affordable. Equinox Multi features multi-width planks, giving your floor a unique appearance, setting itself apart from other laminate flooring in the market. With Atroguard Core technology and Tightlock "5 points of contact" locking system; Equinox is waterproof for up to 72 hours. Equinox can be installed in any type of room, making it a perfect option for retail and single-family builders.

DID YOU KNOW?

WEAR SURFACE

An AC4 rating, combined with a tough melamine surface provides scratch and scuff resistance among interiors with light to moderate traffic.

PAINTED BEVEL

Increases the wood appearance, adding more detail and dimension to the flooring surface.

PREMIUM PAD ATTACHED

1.5 mm EVA pad provides reliable sound absorption.

EMBOSSED TEXTURE

Wood grain embossing create a realistic wood texture.
