

SOUNDRX

ACOUSTICAL GLUE DOWN LUXURY VINYL

An evolution in luxury vinyl plank. Attached acoustical pad for reduced noise transfer and reduced labor and cost.

Anastasia | NOLVA0805

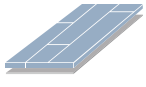

Why SoundRx?

SoundRx is an excellent glue down option for your next project. This collection's unique benefit is in its attached pad. This feature eliminates double gluing, and allows for a faster installation process, saving you more in install costs. In addition, SoundRx's premium pad sports a densified, acoustic texture providing excellent sound reduction, decreasing the sound transfer from above.

DID YOU KNOW?

ATTACHED **PAD**

Each plank in this collection comes with an attached pad allowing for faster installations and less materials, lowering your install costs.

QUIETER **UNDERFOOT**

With IIC 63 and STC 61 testing scores, SoundRx's densified, acoustical attached pad reduces sound transfer, decreasing upstairs noise.

FIBERGLASS MESH **REINFORCED CORE**

SoundRx's fiberglass mesh core provides dimensional stability and increased strength.
