

TANDEM

ENGINEERED VINYL CLICK WPC WITH SUPER PROTECT COATING

Tandem is truly your all-in-one flooring solution providing rigidity and water protection, now with Super Protect Coating for enhanced stain and abrasion resistance.

Rockport
JBTANDEMROC

Why Tandem?

Tandem is a one-stop-shop of solutions. Tandem is part of a sub-category called Engineered Vinyl Click (EVC). Engineered Vinyl Click products have the thickness and rigidity of laminate, but on a waterproof core. With Tandem you don't have to worry if the dishwasher leaks or the washing machine overflowing. Tandem is waterproof through and through, from the core to the padding. With a 5.5 mm thick core and 2 mm attached padding, Tandem also provides excellent sound reduction, making it an ideal option wherever you are installing this floor.

TANDEM RW

ENGINEERED VINYL CLICK WPC
WITH SUPER PROTECT COATING

Tandem RW combines the beauty of wood with the performance of luxury vinyl, now with Super Protect Coating for enhanced stain and abrasion resistance.

Bristol
JBTNBRI

Why Tandem RW?

Tandem RW, with Real Wood emboss, delivers a remarkably authentic hardwood texture and visual, with the high performance of premium WPC luxury vinyl. Tandem RW's embossing follows the grain of the wood for the most realistic texture. The enhanced finish of Super Protect Coating also provides further durability to Tandem RW's 20 mil wear layer.
