OWN WITH CONFIDENCE

Installed correctly and following proper care and maintenance, your carpet will stay looking newer and beautiful longer. The Everglades Collection carpet is warranted against staining, fading, soiling, abrasion and manufacturing defects.

STAIN RESISTANCE LIMITED WARRANTY

No one wants a permanent stain on their carpet. That's why the Everglades Collection is made to be extremely stain resistant. With proper care and prompt attention, the Everglades Collection will resist staining from a host of common food and beverage accidents, such as coffee, colas, yellow mustard, chocolate, household bleach cleaners and wines. This warranty excludes abusive conditions or unattended spills or accidents. The carpet must be cleaned and maintained according to guidelines established by the Carpet and Rug Institute.

FADE RESISTANCE LIMITED WARRANTY

Enjoy natural light without worrying about the possible damage and color fading from prolonged exposure to harsh sunlight – especially from southern exposures. That's why Everglades Collection is made beautifully fade resistant with ColorLock solution-dyed fiber. You can even spot-clean with household bleach and the color won't fade.

PET STAIN LIMITED WARRANTY

The Everglades Collection will not be permanently stained from exposure to pet urine, vomit, or feces from domestic cats and dogs. This warranty covers the physical appearance of a pet stain. This warranty does not cover odor, as odor can emanate from below the surface of the carpet, even from the pad under the carpet, if pet deposits are allowed to dwell for a period of time before extraction. The carpet must be installed correctly, be subject to normal use in a residential dwelling, and be maintained according to Carpet and Rug Institute recommendations. Allowances will not be offered where there is evidence that pet stains are not accidental, but are a regular occurrence.

SOIL RESISTANCE LIMITED WARRANTY

The Everglades Collection is equipped with a soil and stain shield treatment. The treatment keeps dirt from clinging to the carpet fibers so it's easier to vacuum. Regular vacuuming also prolongs the life of your carpet. Always keep the carpet cleaned and maintained according to guidelines established by the Carpet and Rug Institute.

ABRASION RESISTANCE LIMITED WARRANTY

The Everglades Collection is warranted to stand up to normal wear and lose no more than 10% of pile fiber during its warranty period. The carpet must be installed correctly and the abrasive wear has to be normal residential foot traffic - not abusive use.

TEXTURE RETENTION WARRANTY

Over time, carpet can see a reduction in texture or crushing of the carpet's tufts from every day wear. The manufacturer warrants against significant twist loss from foot traffic for the warranty period. This does not cover abusive wear or carpet that has been incorrectly installed. Crushing caused by furniture, including impressions left by legs of furniture and excessive heavy foot traffic are not covered by this warranty.
