DID YOU KNOW?

REAL WOOD VENEER

Each plank features a real wood veneer delivering a natural wood surface and texture.

PEACE-OF-MIND WATERPROOF

Bravewood's reliable locking system and waterproof core provides protection against moisture and water damage.

ADAMANTINE PROTECTION

Adamantine Protection verifies the floor exceeds wear testing standards, ensuring unbeatable, enduring scratch defense.

NATURALLY PVC FREE

Eco-Friendly and naturally PVC free, Bravewood™ protects your home's environment by reducing exposure to harmful chemicals.
