Kährs Estate Collection

Made in the USA

Oak Hildene

Estate Collection offers a blend of timeless elegance and European sophistication, all while showcasing American craftsmanship. Each piece in this collection is Made in the USA and reflects our dedication to unmatched quality, sustainability, and design.

Inspired by the grandeur of European-influenced American Estates, we've curated a selection that brings that same level of elegance into homes, utilizing only the finest American materials and skilled artisans.

It's where Old World charm meets New World craftsmanship, delivering flooring solutions that exude luxury and heritage.
