

Trilogy Tile Technical Data

The Trilogy Tile is a solution dyed textured tufted loop pile with an extremely durable, hard-wearing tile with an especially thick yarn and grid structure to capture and retain dirt. Unique construction provides aggressive scraping that cleans footwear to reduce the risk of slips and falls and is ideal for wall-to-wall applications as well as entrances.

General Information

This product must be used for interior applications only and be installed by professional installers that have sufficient professional liability insurance coverage (aka Errors and Omissions Insurance) for the project. Matter Surfaces recommends installing and maintaining entrance matting at all outdoor entrances; this will improve air quality, reduce maintenance costs, and lengthen the life of your floors.

Proper glides must be used on all furniture that may slide directly across the floor. Heavy objects must not be moved directly across the floor; use protective boards.

Direct sunlight can cause UV damage (fading or bleaching) to most interior finishes, so Low E glass should be selected that will reduce the UV transmission to less than 1%. If not, applying 3M™ protection film (or similar) on the windows is recommended. Areas of the flooring subjected to direct sunlight, for example through doors or windows, must be covered using blinds, curtains, cardboard or similar materials for 2 hours before, during, and for 72 hours after the installation.

Dimensions	19 11/16" x 19 11/16" / 2.7 SF per tile
Surface Fiber	100% Nylon 6
Total Height	7.2mm
Pile Height	3.6mm
Backing	Bitumen backing made from 70% recycled material
Total Recycled Content	57%
Total Weight	139 oz / yd ²
Pack Size	20 tiles per case / 53.8 SF per case / 20 case per pallet
Adhesive	MI 1000
Adhesive Coverage	~ 150-175 SF / gal (coverage will depend on site conditions)

<i>Performance</i>	<i>Standard</i>	<i>Result</i>
Fire Resistance	EN 12501-1	Bfl-s1
TVOC	Émissions dans l'air intérieur	<1,000 µg / m ³
