

Product Description:

Frameless Collection — European-inspired cabinets crafted to elevate kitchens and bathrooms. Featuring melamine Classic doors and engineered Deluxe doors, their sleek frameless design maximizes space and style. Discreet hinges and full-overlay doors enhance modern appeal. Versatile, durable solutions for today's living.

Key Features & Benefits:

Engineered Furniture Board + High-Density MDF core for lasting durability. PET & Melamine surfaces for vivid color, easy maintenance, antibacterial & moisture resistance. 6-way adjustable soft-close hinges & drawers. Full-overlay doors with modern minimalist design. Wide range of finishes: Gloss White, Matte White, Natural Oak, Walnut, and more. Easy to assemble and ship — perfect for projects of any size. Backed by Limited Lifetime Warranty.

"Innovative European-styled cabinetry solutions with unmatched design, durability, and affordability — ready to ship and designed to elevate any space."
