

TANDEM ESSENCE

WPC VINYL CLICK, WOOD PLASTIC COMPOSITE

Tandem Essence combines natural warmth with lasting resilience and delivers comfort underfoot and reliable performance for everyday living

Allison | DGWP0403

Comfort Flooring

Tandem Essence brings timeless appeal to modern spaces, merging the look of authentic wood with the quiet strength of WPC construction.

Its built-in pad softens every step, while the Adamantine Finish™ safeguards against scratches, stains, and daily wear.

Designed for homes and multifamily settings alike, it offers enduring comfort, stability, and peace of mind — proof that performance can still feel inviting.

DID YOU KNOW?

MULTIFAMILY-READY EFFICIENCY

Tandem Essence ensures dimensional stability, ease of installation, and low-maintenance upkeep for large-scale projects.

REFINED VISUALS

Random Embossed-in-register surface detailing and pressed bevel edges enhance each 9" x 60" plank with authentic wood grain texture and definition.

HIGH-PERFORMANCE PROTECTION

A 20 mil wear layer and proprietary Adamantine Finish™ deliver exceptional scratch resistance, moisture protection, and long-term durability in high-traffic areas.
