PATAGONIA

LSPC HYBRID LUXURY VINYL
WITH HIGH-DEFINITION MATTE FINISH

Unmatched performance & innovation.

About Patagonia

The Patagonia collection offers premium performance flooring with high-end aesthetics. Its innovative core construction features a foamed SPC (Stone Plastic Composite) core, enhancing dimensional stability while reducing weight. The collection boasts wide and long planks with a high-definition matte finish, creating a luxurious appearance. Each plank is meticulously crafted with a pressed bevel and realistic wood embossing, faithfully replicating the look and feel of authentic hardwood.

DID YOU KNOW?

HIGH-DEFINITION MATTE FINISH

Patagonia's matte finish gives each plank a more realistic wood look and feel, emulating the oil finish of hardwood.

ADAMANTINE™ PROTECTION

Adamantine™ Protection verifies the floor exceeds wear testing standards, ensuring unbeatable, enduring scratch defense.

LSPC RIGID CORE CONSTRUCTION

LSPC Foamed SPC core creates a more light-weight and dimensionally stable product.

REALISTIC EIR TEXTURE

With a realistic EIR texture, each plank emulates the natural texture of real wood.
