

Garden Window
in white

Window World® Garden Windows create space to display the things you love.

Beauty and Function

The unique projection of our Garden Windows accommodates flowers, herbs, and decor without taking up counter space. Featuring side-venting casements, our Garden Windows provide exceptional ventilation and airflow and allow your greenery can flourish year-round. Tested to meet industry requirements and built to last, a Window World® Garden Window will enhance your home with style and quality.

- Twin sealing, fully screened, operating casements open to a full 90-degrees to allow exceptional airflow
- Fully welded PVC vinyl frame provides long-term durability
- Aluminum and steel reinforcements in the front mullion improve structural performance
- Vents and deadlites have a built-in weep system for optimal water drainage
- Flexscreen allows for airflow while keeping pests out
- Inside front-mounted multi-point locks and operators ensure safety and security
- 1" insulated glass package with Low-E provides thermal protection

AMERICA'S EXTERIOR REMODELERSM

Improving Homes. Changing Lives.®

GARDEN WINDOW

Available with one or more adjustable glass shelves with polished edges, brackets, and standards.

Finely-crafted trim options are available to add finished elegance to your Garden Window.

Window Frame Color Options:

Window World® offers a wide variety of color options to complement the interior or exterior style of your home. Classic extruded vinyl colors can be enhanced by rich-hued exterior finishes. These high-performance exterior coatings require little maintenance and provide long-term durability. Additionally, our color-matching system allows your window to be painted to match a color sample.

Interior Palette

White Tan Light Oak*

Interior Palette

White Tan Cocoa* Champagne*
