## SHUTTERS & ACCENTS

**AMERICA'S EXTERIOR REMODELER<sup>SM</sup>**

Improving Homes. Changing Lives.<sup>®</sup>

## SHUTTERS & ACCENTS

Window World's high-quality shutters enhance any home exterior - whether it's brick, stone, vinyl siding, stucco, or wood.

**22 colors - and paintable/repaintable**  
**\*Three new Sherwin-Williams colors**

**Superior Quality That's Virtually Maintenance-Free**

Thanks to advanced UV stabilizers and an exceptionally tough acrylic coating, our shutters withstand the elements and retain their good looks year after year.

**Industry-Leading Warranty**

Our vinyl shutters are built to last and are free from defects that result in cracking or splitting. We're so confident in the quality of our products that we offer a lifetime limited warranty\* on every shutter we produce.

**A Style And Color For You**

The Window World louvered, raised panel, and board and batten shutters offer an attractive choice for almost any home style. Available in 19 colors, they can also be painted to complement a new color scheme or simply to give your home a fresh look.

**A Variety Of Sizes To Fit Your Windows**

Shutters are available in a wide and deep variety of lengths and widths. If none of our many standard sizes fit, we can manufacture custom sizes to meet your requirements.

**Available in these styles**

## MANTELS & DOOR SURROUNDS

Our full line of designer accents is virtually maintenance-free, requires no painting, and will last for decades. Beautiful, classic and stylish; these are accents of distinction.

## Mantel Systems

Mantel systems give a home a stately appearance by adding height and symmetry to windows and garage doors. Produced in a classic white finish, they can also be painted with high-quality water-based latex paint for a custom look. Endcaps and keystones add to the grandeur and are available for siding and brick applications.

Mastic mantel systems are not only functional, they're beautiful. They are available in a classic design or with an optional dentil trim for a richer appearance. We offer standard lengths of 36", 40", and 44", or a longer length of 120" that's ideal for garage doors.

## Door Surround Systems

Our door surround systems welcome guests with a stately entrance — sized to fit most standard entrances, including 96" and 144" heights, our door surround systems are built from highly durable polystyrene that withstands wear and tear. Our broad selection includes pilasters, mantels, pediments, and urn overlays. They are available in classic white but can be painted to match the color scheme of the home.

### Perfect for Any Home

Our door surround systems and dentil moldings are compatible with nearly any style of home, including brick, wood, steel, stone, stucco, vinyl, aluminum, and fiber cement. They are simple to install and are virtually maintenance-free over the life of the home.

### Customizable Color

All of our designer accents are available in classic white, our most popular color. Window and door surround systems can also be painted to custom match any color with high-quality latex paint and can be repainted over the years as styles change.

# MOUNTING BLOCKS & VENTS

Mounting blocks are used to install electrical outlets, water faucets, light fixtures, mailboxes, house numbers, and even doorbells. And our vents are designed for a wide variety of uses – with classic styling and a vast color palette.

## Mounting Blocks

Mounting blocks are used for electrical outlets, water faucets, light fixtures, mailboxes, house numbers, and even doorbells.

### Quality Assurance

Built to withstand the toughest weather. They will not chip, crack, or split.

### Simple to Install

Select products have a new finger-locking system for easier and more secure installation. This feature allows for easy installation over many siding choices, including insulated vinyl siding.

### A Perfect Color Match

Our mounting blocks are available in more than 100 standard colors. They can be matched to virtually any vinyl siding color.

## Vents

Our vents are specially engineered to prevent intrusion by birds, insects, and other animals.

### Gable Vents

Our gable vents are offered in round, round top, half-round, square, octagonal, and rectangular styles to fit the desired look, whether classic or contemporary.

### Utility Vents

Sturdy utility vents provide excellent cross-ventilation of garages, foundations, and range hoods. With our utility vents, a home not only looks beautiful but feels fresher.

### The Right Colors for You

Our vents can be matched to most colors and virtually any siding option.
