## Haydon Corporation – PFAS Compliance Statement

This letter is to certify that the metal framing strut products manufactured by Haydon Corporation are compliant with applicable regulations and requirements concerning per- and polyfluoroalkyl substances (PFAS).

Based on information provided by our raw material suppliers, as well as review of our internal processes, the H-STRUT® Metal Framing strut products manufactured by Haydon:

- Do not intentionally contain PFAS substances.
- Are not formulated with PFAS during any stage of manufacturing.
- Do not utilize PFAS-containing coatings, treatments, or surface finishes unless otherwise explicitly disclosed.

If there are any further questions about Haydon's products, please feel free to reach out to [sales@haydoncorp.com](mailto:sales@haydoncorp.com).

Best Regards,

Kewal Lanka  
Director of Quality  
Haydon Corporation
