

ZAPATA and Black & Veatch Mentor-Protégé Joint Venture

New Administrative Building, Fort Liberty, NC

ZAPATA and Black & Veatch have successfully worked together on Department of Defense (DoD) projects since 2005. ZAPATA and Black & Veatch are in an approved U.S. Small Business Administration (SBA) Mentor-Protégé Program (MPP) with key capabilities that complement each other in the federal market. Under the SBA-approved MPP, we have formed a joint venture (JV) company that is a Small Business (NAICS 541330) providing architecture-engineering (A-E) services in support of Federal Government agencies.
