

SteelToad and Black & Veatch **Mentor-Protégé**

Black & Veatch and SteelToad are in an approved U.S. Small Business Administration's Mentor-Protégé Program and have formed a joint venture (JV) company. Both firms have key capabilities to complement each other in the federal cybersecurity market. SteelToad is a Cyber and Information Technology (IT) solutions provider with 30+ years of experience working with the federal government. They specialize in providing cybersecurity, software development, data management and cloud services. SteelToad is #11 as an Authorized C3PAO for Cybersecurity Maturity Model Certification (CMMC) assessments and a Licensed Training Provider for CMMC training. The team has over 16 years of experience completing CMMI training and assessments.
