

TECHNICAL DATA SHEET

Varn® Defoamer KS30-ODF

Description:

A highly effective ready to use anti-foam, suitable for all dampening systems. It rapidly reduces or completely eliminates excessive foaming rapidly on addition. It is highly concentrated and is both effective and economical. usually one capful will be sufficient to remove any issues with foam.

This defoamer prevents air bubbles being transferred to the plate cylinder, which can produce dry spots on the plate.

Compatible with all types of fountain solution concentrate.

Non-toxic and non-flammable.

Application:

- Add one capful (10ml) of Varn® Defoamer per 100 litres of mixed dampening solution.
-
- Follow relevant Good Manufacturing Practice (GMP) guidelines if used for the production of food packaging.

Key Features:

- Improves print quality.
- Fast acting, active anti-foaming agents.
- Low dosage and economical in use.
- Highly water miscible.
- Non-flammable.
