1.2 All sales and deliveries of Flint's products ("**Products**") by Flint and any contracts/agreements or obligations connected therewith, shall be made exclusively on the basis of these GTC Sale, without separate written agreement being necessary. The application of customer's conflicting or supplementary terms and conditions shall be excluded, even if Flint does not expressly object to such terms and conditions. Deviation from these GTC Sale require the explicit written approval of Flint.

1.3 In case a separate written agreement is not concluded, these GTC Sale shall be deemed as accepted by customer by placing of an order or at latest, upon the delivery.

2. Conclusion of Contract

Flint's quotations are not binding offers but must be seen as invitations to customer to place a binding order. The contract is concluded by customer's written order and Flint's written confirmation of an order or in case there is no such written confirmation, at the latest with the delivery of the Products. In case the confirmation differs from the order, such confirmation constitutes a new non-binding offer of Flint. Verbal contracts or promises shall only be valid if an authorized employee of Flint has confirmed them in written form.

3. Quality of Products

3.1 The quality of the Products is exclusively determined by the product specifications which Flint shall make available to customer upon request. Any additional, more detailed and/or deviating specifications require an explicit written agreement between Flint and customer.

3.2 Flint reserves the right to amend the product specifications.

3.3 Information provided in sales catalogues, price lists and any other informative literature provided by Flint or any other descriptions of the Products (such as shelf-life data) shall under no circumstances constitute a guarantee for any specific quality of the Products; such specific quality or durability guarantees must expressly be made in written form. Identified uses under the European Chemicals Regulation (REACH) relevant for the Products or other equivalent applicable international legislation relevant for the Products, shall neither represent an agreement on the corresponding contractual quality of the Products nor the designated use under this contract.

3.4 Any advice rendered by Flint is given to the best of its knowledge. Any advice and information with respect to suitability and application of the Products shall not relieve customer from undertaking his own investigations and tests.

3.5 Any applications with the Products are in the sole responsibility of customer and customer must ensure that the Products are suitable and appropriate for the intended purpose.

4. Limitation of Resale

Customer may not sell, resell, share, provide or otherwise make available to any third party, including any subsidiaries and affiliates, the Products or any component thereof without Flint's prior written approval. Without prejudice to any other rights and remedies, customer's non-compliance with this limitation of resale entitles Flint to suspend performance of any of its contractual obligations with immediate effect without liability to customer.

5. Delivery Terms

5.1 Delivery shall be made with regards to the respective **Incoterms 2020**. Unless otherwise agreed in written form, the delivery is made under **FCA Incoterms 2020**.

5.2 Unless otherwise agreed in written form, delivery shall be made according to the lead time appointed by Flint. Lead time means the period from the date of order confirmation to the delivery date in accordance with agreed Incoterm ("**Lead Time**").

5.3 Delivery dates and delivery periods are only binding if they have been agreed in written form.

5.4 If deliveries by Flint are delayed, customer shall only be entitled to rescind the contract if (i) Flint is responsible for the delay and (ii) a reasonable grace period set by customer has expired.

5.5 Flint may make partial deliveries for good reason if and to the extent this is reasonable for customer.

5.6 Unless otherwise agreed in written form, the risk of loss shall pass to customer according to respective Incoterm.

6. Prices

6.1 Unless otherwise agreed in written form, the prices shall be **FCA Incoterms 2020 ("Base Price")**, plus any costs for packaging, freight, insurance, disposal, any additional expenses and VAT, if applicable.

6.2 Unless otherwise agreed in written form, the Base Price shall be determined by the price list of Flint as applicable at the date of the conclusion of the contract.

6.3 If, after the conclusion of the contract, Flint has incurred unforeseeable cost increases with regard to the Products beyond its control, Flint shall be entitled to pass on such higher costs by increasing the agreed Base Price on a pro rata basis.

7. Payment Terms

7.1 Unless otherwise agreed in written form, invoices of Flint shall be due for payment without any deductions within thirty (30) days from the date of invoice. If this period for payment lapses without Flint receiving payment, customer shall be in default. Payments by customer shall not be deemed to have been made until Flint has received such payment.

7.2 All payments shall be made directly into Flint's bank account. Bills of exchange, checks and any other specific arrangements with regard to payment shall only be accepted when agreed in written form and without any costs for Flint.

7.3 Regardless of the place of delivery of the Products, the place of payment shall be Flint's place of business.

7.4 All payments shall be set-off against the outstanding invoices/receivables in chronological order (oldest invoices first and most recent invoices last).

7.5 Flint is entitled to issue partial invoices for partial deliveries as defined in **clause 5.5** hereof.

7.6 In case customer is in default of payment of an invoice (i) Flint is entitled to charge default interest on the amount outstanding at the maximum rate permitted by applicable mandatory law, whereas any claims for further damages due to the default shall remain unaffected; and (ii) Flint may suspend or cease further supply of Products to customer, without any liability to the customer.

7.7 If there are reasonable doubts as to customer's ability to pay, especially if payments are in arrears, Flint may revoke credit periods and make further deliveries dependent on advance payments or other security. If such advance payments or security have not been rendered even after the expiry of a reasonable grace period, Flint may partially or totally rescind individual or all of the affected contracts. Flint shall remain entitled to assert further rights.

8. Retention of Title

8.1 The Products shall remain the property of Flint until all obligations from the business relationship between customer and Flint have been fulfilled.

8.2 In the case of current accounts, this retention of title shall serve as security for the obligations for the balance to which Flint is entitled.

9. Defective Products

9.1 At the time that risk of loss passes to customer the Products shall be of the quality determined in the product specifications (see **clause 3.1** above).

9.2 Customer's rights in case of defects of the Products shall require that customer inspects the Products upon delivery without undue delay and notifies Flint of any defects without undue delay but no later than fourteen (14) days following receipt of the Products. In case of hidden defects, Flint must be notified without undue delay but no later than fourteen (14) days after the defect was detected and no later than one (1) year after receipt of the Products.

9.3 Notification must be in written form and must precisely describe the nature and extent of the defects. In case customer failed to inspect the Products or does not submit the notices in time or not in a proper written form, the delivery and performance made by Flint shall be deemed defect-free.

9.4 In the event of a notification of a defect, Flint shall have the right to inspect and test the respective Products. Customer will grant Flint the required period of time and opportunity to exercise such right.

9.5 If the Products are deemed as defective by Flint and customer has duly notified Flint in accordance with the foregoing terms:
