

TECHNICAL DATA SHEET

Varn® Web Anti Stat KT45-014

- Description:** Varn® Web Anti Stat additive is specifically designed to control or eliminate static that can occur when using web conditioner applications. The product can be used separately from, or in addition to, Varn® Apollo Series web conditioners on all types of web paper stocks and on any web press.
- Application:**
- Add Varn® Web Anti Stat additive to diluted web conditioner at a rate of 1 ounce per gallon until proper static control is achieved. To achieve optimal production results, measure carefully when adding the product to Apollo silicone or web conditioner solution.
- Key Features:**
- Compatible with all Flint Group web conditioner/silicone products
 - Will not cause separation or oiling out of Apollo products when added to the diluted solution
 - Low odor/no fragrance added as with commercial anti-static products
 - Will not leave a residue or streaking appearance on the printed sheet
 - Assists in controlling static due to climate or seasonal conditions

TECHNICAL DATA SHEET

Varn® Web Anti Stat KT45-014

Storage:

- The product should be processed within 12 months after production date.
- To prolong the shelf life, we recommend storing the product in its original, un-opened packaging at room temperature (68 -78 °F), as correct storage conditions are essential.

Quality / Environment / Health & Safety

Flint Group maintains a comprehensive Management System that integrates quality, environment, health & safety. Our production and quality control processes meet high industry standards, ensuring product safety and reliability. When used as intended, our products are safe and pose no hazards under normal conditions. For more details, refer to the Safety Data Sheet.

Handling precautions – skin sensitization

Ensure the use of proper protective equipment when handling chemicals. For detailed guidance, refer to the Safety Data Sheet and consult with your PPE (Personal Protective Equipment) provider.

Additional Information

Please contact your local Flint Group Customer/Technical Service if further information is required.
