<ul style="list-style-type: none"><li>• Versatile formulation.</li></ul>	<ul style="list-style-type: none"><li>• Multi-application.</li></ul>	<ul style="list-style-type: none"><li>• Economical.</li></ul>

## Product code

KU40-0CPG-#### (final 4 digits relate to pack size).

## Pack sizes

1 litre (01AF) and 10 litres (01F9).

## Application

Apply Varn® Complete to a damp plate using a damp sponge. Remove all the ink and wipe the plate with a clean damp cloth. Re-apply Varn® Complete and buff down to a smooth thin film to eliminate streaks before allowing to dry naturally. Do not use fan heaters or driers as these can harden or crack the protective film.

### More products. Streamlined access. Greater results.

We offer a uniquely powerful combination of products, services and expertise; giving you access to the industry's broadest range of pressroom products.
