

TECHNICAL DATA SHEET

Varn® Ecolo-Clean 328

KV45-001

**Description:**

OEM-approved Varn® Ecolo-Clean™ 328 supports your need for lower VOC emissions while still providing strong, effective blanket and roller cleaning action. The wash removes stubborn ink and gum glaze in a single step. It contains 30% VOC with a flash point over 200°F, which makes Ecolo-Clean™ 328 ideal for printers with automatic blanket washers and serious VOC restrictions. It can also be used as an effective cleaner in manual applications

Application:

- Rollers & Blankets:
- Use as is or mix with up to 50% water to clean both water-soluble and solvent-soluble debris and glaze. Allow product to reach room temperature before use. Product contains <250 g/l VOC. It is not intended nor suitable for applications requiring dilution with water to achieve 100 g/l VOC.

Key Features:

- FOGRA-approved.
- Strong ink-cutting power for effective cleaning with minimal volume.
- Low residue, quick restarts.
- Water-miscible, effective at cleaning both ink and lint from blankets and rollers.

Certifications:

- Fogra approved for KBA heatset presses.

**Storage:**

- The product should be processed within 12 months after production date.
- To prolong the shelf life, we recommend storing the product in its original, un-opened packaging at room temperature (68 -78 °F), as correct storage conditions are essential.

Quality / Environment / Health & Safety

Flint Group maintains a comprehensive Management System that integrates quality, environment, health & safety. Our production and quality control processes meet high industry standards, ensuring product safety and reliability. When used as intended, our products are safe and pose no hazards under normal conditions. For more details, refer to the Safety Data Sheet.

Handling precautions – skin sensitization

Ensure the use of proper protective equipment when handling chemicals. For detailed guidance, refer to the Safety Data Sheet and consult with your PPE (Personal Protective Equipment) provider.

Additional Information

Please contact your local Flint Group Customer/Technical Service if further information is required.
