Varn® Plate Plus

Heavy duty plate cleaner with abrasives

Specialist cleaner for all printing applications and press types

Product Features

- Varn® Plate Plus is a heavy duty plate cleaner that will economically remove even dried-on ink easily, without damage to all types of pre-sensitised plates.
- Varn® Plate Plus is an aqueous blend of petroleum solvents and vegetable gums, fully biodegradable, with low odour and high flash point.
- Varn® Plate Plus is fully compatible with a wide range of inks including UV & metallics.
- Varn® Plate Plus contains a mild abrasive which assists the cleaning action and enhances product performance.

Advantages

- Extra strong cleaning power.
- Contains desensitisers to remove light scratching and oxidation.
- Viscous formula for economic use.
- Safe on all pre-sensitised plates.
