# Varn® Multiwash

Water miscible roller and blanket wash

**Roller and blanket wash for conventional and UV applications**

## Product Features

- Varn® Multiwash is based on highly refined chemical solvents and vegetable based cleaners.
- Varn® Multiwash is compatible with a wide range of UV ink formulations and with most rubber compounds used in UV printing.
- Varn® Multiwash is designed to effectively clean both UV and conventional inks and is suitable for washing blankets and rollers in conjunction with automatic systems. Varn® Multiwash is not suitable for EPDM rollers.
- Varn® Multiwash is water miscible and can be used with up to 10% water to remove water soluble and solvent soluble glaze, blanket piling and lint.

## Advantages of Varn® Multiwash

- Water miscible.
- Low odour.
- Specially formulated for UV/conventional inks.
- Excellent ink solvency.
- Economical in use.

## Product code

KV10-0MWG-#### (final 4 digits relate to pack size).

## Pack sizes

10 litres (01F9), 20 litres (01H5), 200 litres (01N1) and 1000 litres (01U0).

## Application

Blankets: Mix with up to 10% water or apply to a dampened wash-up cloth to remove both water soluble and solvent soluble glaze, blanket piling and lint.

Rollers: Use neat or mix with up to 10% water to remove gum glaze, paper fibres and lint.

For automatic systems, use as instructed by installation engineer.

Do not use on unbaked positive plates, or EPDM rubber compounds.

For optimum performance use in conjunction with Varn® Take it off/Revitol and Varn® Calcium Deglazer as part of a regular press maintenance system. For even greater efficiency use in conjunction with Varn® Aqua Plus wash water additive.

Follow relevant Good Manufacturing Practice (GMP) guidelines if used for the production of food packaging.

## Flashpoint

48°C (All).

## More products. Streamlined access. Greater results.

Flint Group's Print Media division offers a uniquely powerful combination of products, services and expertise; giving you access to the industry's broadest range of pressroom products.

### **Inks and Coatings. Pressroom Chemicals. Blankets. Sleeves. Consumables.**
