Varn® MRC

Fast evaporating dampener and metering roller cleaner

Specialist cleaner for all printing applications and press types

Product Features

- Varn® MRC is a powerful degreaser and ideal for bareback dampeners and other areas where fast evaporation is necessary to prevent wash contamination and hence slow start-ups due to scumming etc.
- Varn® MRC has been specifically formulated for press applications that previously required the now banned substances Trichloroethane or MEK.

Advantages

- Ultra fast evaporation.
- Leaves no greasy residue.
- Powerful cleaning action.
- Removes dried ink.
- Contains no chlorinated solvents.
- Suitable for mixed application and conventional nitrile rubber compounds.
- Suitable for presses running conventional inks.

Varn® MRC

<ul style="list-style-type: none">• Powerful degreaser.	<ul style="list-style-type: none">• Strong ink solvency.	<ul style="list-style-type: none">• Fast, effective cleaning.
<ul style="list-style-type: none">• Fast evaporation.	<ul style="list-style-type: none">• Leaves no residue.	<ul style="list-style-type: none">• Metering roller remains hydrophilic.• Aids fast re-starts.

Product code

KV10-0FCG-#### (final 4 digits relate to pack size).

Pack size

1 litre (ERAF), 5 litres (ERF3) and 200 litres (ERMP).

Application

Apply to dampening rollers with a clean lint free cloth and simply wipe away ink, grease and other pressroom contaminates. Remember to replace cap after use.

Follow relevant Good Manufacturing Practice (GMP) guidelines if used for the production of food packaging.

Flashpoint

-26°C (AI).

More products. Streamlined access. Greater results.

We offer a uniquely powerful combination of products, services and expertise; giving you access to the industry's broadest range of pressroom products.

Pressroom Chemicals. Blankets. Sleeves. Consumables.
