# Varn® Majesta 739

A Highly Concentrated Fountain Solution

**Versatile fountain solution designed for all heatset applications**

## Product Features

- Varn® Majesta 739 improves print quality through proper emulsion with heatset inks.
- Varn® Majesta 739 reduces both paper and ink piling and reduces the need for blanket wash frequency.
- Varn® Majesta 739 reduces ink misting and slinging that results in less downtime and paper waste.

## Advantages of Varn® Majesta 739

- Robust anti-piling package.
- Low dosage = lower operating cost
- Opens up the operating window for the operator.
