

TECHNICAL DATA SHEET

Varn® All Hydro-Solv KV35-004

Description:	All Hydro-Solv is a water-miscible wash that effectively cleans hybrid, UV and conventional offset inks from blankets and rollers. When mixed with water, this wash quickly removes paper dust, ink, and other materials from blankets and rollers. All Hydro-Solv is FOGRA approved for KBA, manroland and Heidelberg sheetfed presses, so you can be assured it will not damage presses.
Application:	• BLANKETS: Use “as is” or apply to damp rag and scrub blanket. • ROLLERS: Use as a one-step with any wash-up attachment or hand clean.
Key Features:	• FOGRA approved • Safe to use • Effectively cleans hybrid, UV and conventional offset inks
Certifications:	• Fogra approved for KBA, Manroland & Heidelberg sheetfed presses.

TECHNICAL DATA SHEET

Varn® All Hydro-Solv KV35-004

**Limitations:**

- Not compatible with EPDM rubber compounds.

The final product/packaging structure and complete packaging must be tested and approved according to the intended application by the printer/packer. If your application covers any of the above, or other non-standard applications, please consult your local Flint Group technical support for guidance.

Storage:

- The product should be processed within 12 months after production date.
- To prolong the shelf life, we recommend storing the product in its original, un-opened packaging at room temperature (68 -78 °F), as correct storage conditions are essential.

Quality / Environment / Health & Safety

Flint Group maintains a comprehensive Management System that integrates quality, environment, health & safety. Our production and quality control processes meet high industry standards, ensuring product safety and reliability. When used as intended, our products are safe and pose no hazards under normal conditions. For more details, refer to the Safety Data Sheet.

Handling precautions – skin sensitization

Ensure the use of proper protective equipment when handling chemicals. For detailed guidance, refer to the Safety Data Sheet and consult with your PPE (Personal Protective Equipment) provider.

Additional Information

Please contact your local Flint Group Customer/Technical Service if further information is required.
