

## TECHNICAL DATA SHEET

# Varn® Enviroflex™ Cell Renew KT45-030

**Description:**

Varn® Enviroflex Cell Renew, an unparalleled anilox water based cleaner for cleaning all water based inks and coatings, uses foaming action to deeply clean and renew cell transfer properties. It coats the anilox roller with a foam that immediately begins cutting and lifting ink and coating build in the anilox cells. Varn® Enviroflex Cell Renew is able to effectively restore health of the anilox cells, further improve color and gloss consistency and minimize waste and cost. Regular use of Varn® Enviroflex Cell Renew will virtually eliminate the need for soda blasting.

**Application:**

- Spray the cleaner as it is onto the anilox roller. Allow cleaner to penetrate the cells with its cutting and lifting action. Rinse with a water spray. Wipe with a wet water cloth.

**Key Features:**

- Cutting and lifting technology.
- Desensitizing pack improves ink transfer.
- Help restore cell health, particularly cell depth.
- Regular use will virtually eliminate the need for roller soda blasting.

## TECHNICAL DATA SHEET

# Varn® Enviroflex™ Cell Renew KT45-030

### Storage:

- The product should be processed within 12 months after production date.
- To prolong the shelf life, we recommend storing the product in its original, un-opened packaging at room temperature (68 -78 °F), as correct storage conditions are essential.

### Quality / Environment / Health & Safety

Flint Group maintains a comprehensive Management System that integrates quality, environment, health & safety. Our production and quality control processes meet high industry standards, ensuring product safety and reliability. When used as intended, our products are safe and pose no hazards under normal conditions. For more details, refer to the Safety Data Sheet.

### Handling precautions – skin sensitization

Ensure the use of proper protective equipment when handling chemicals. For detailed guidance, refer to the Safety Data Sheet and consult with your PPE (Personal Protective Equipment) provider.

### Additional Information

Please contact your local Flint Group Customer/Technical Service if further information is required.
