

# Booking ahead

The early bird will be seen now

Pending & kept visits for a 25-physician provider group as of the following dates:

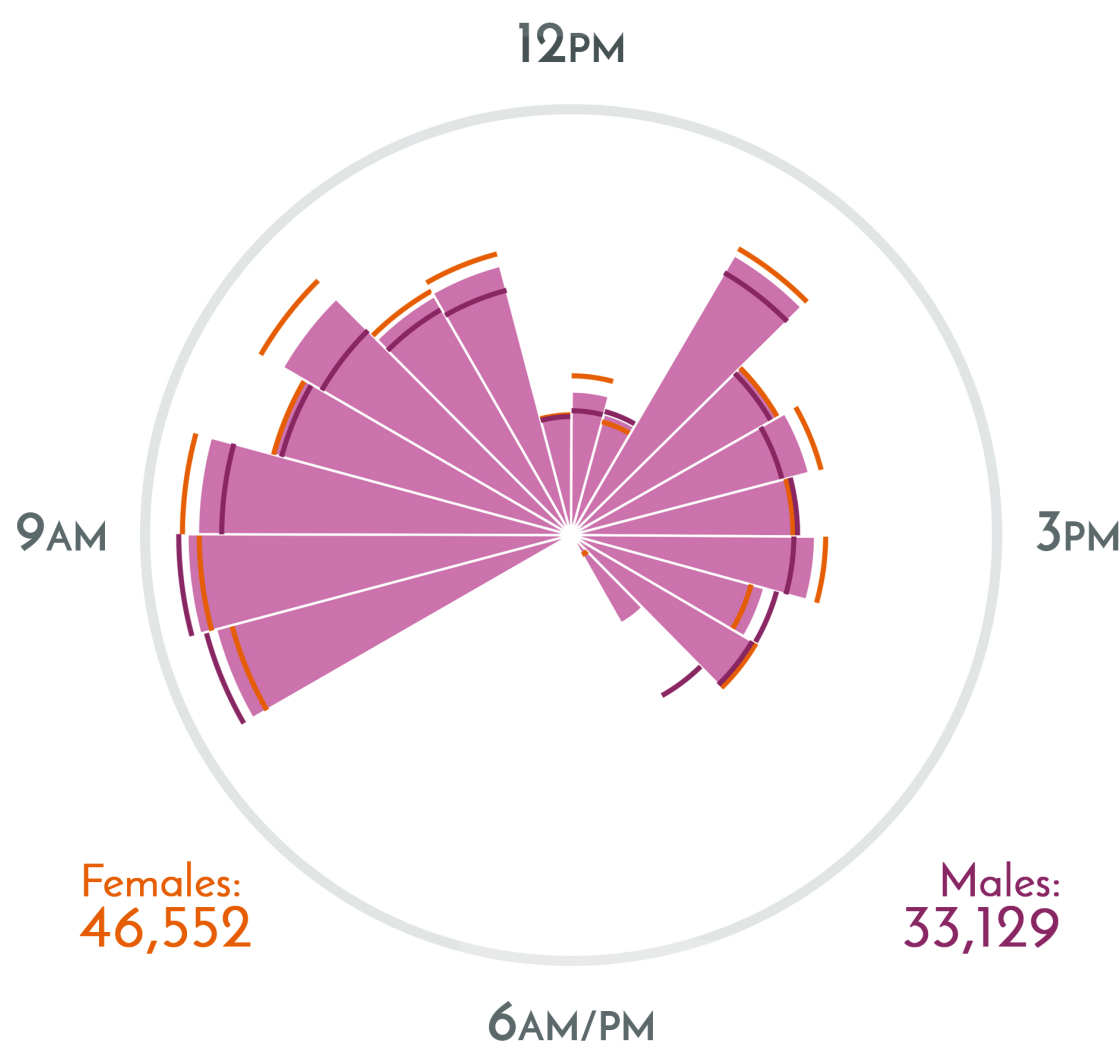

Fewer Visits More Visits

## HOURLY STATISTICS

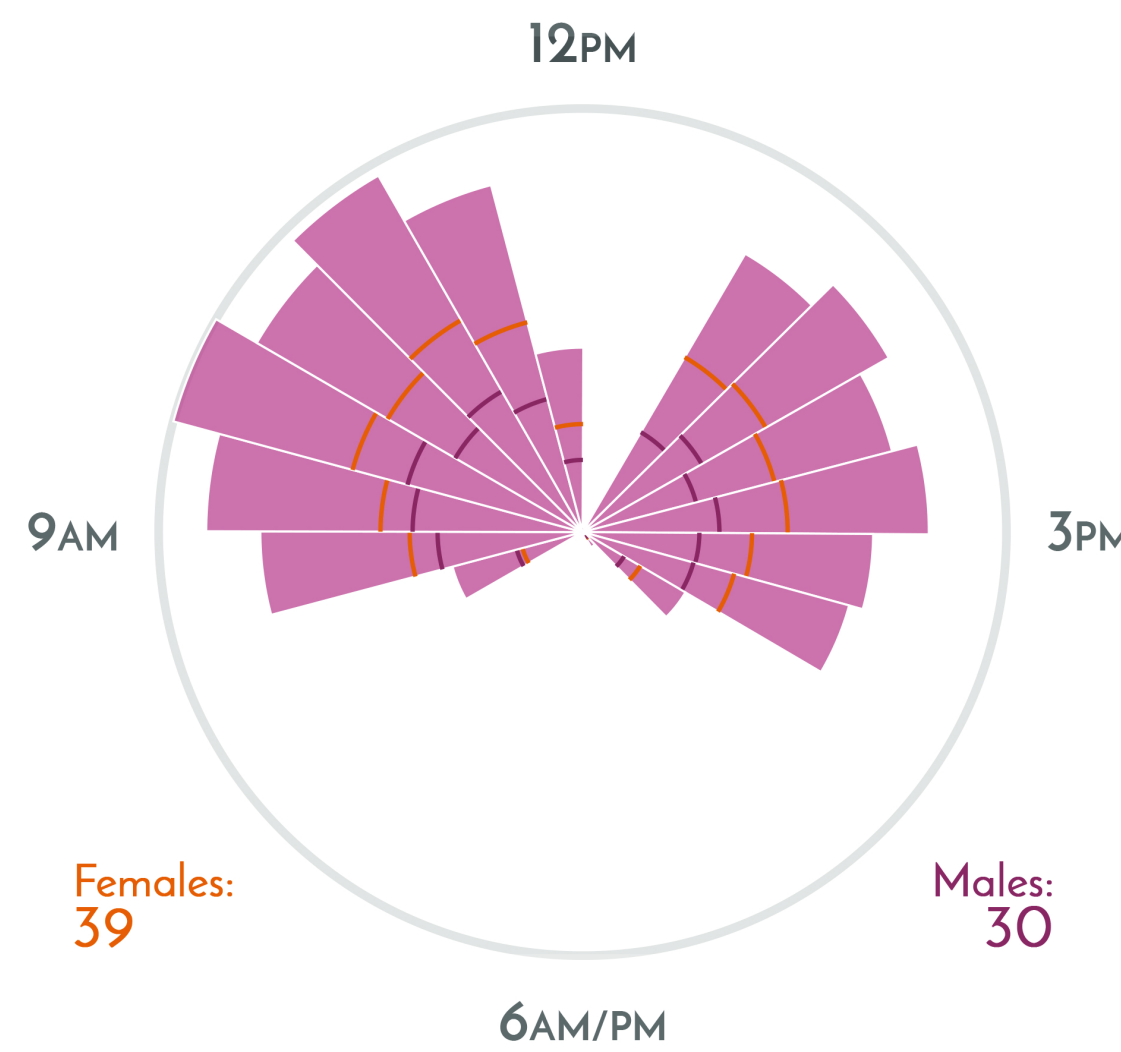

### POPULARITY (# APPOINTMENTS)

Total number of appointments booked, including any that have since been cancelled.

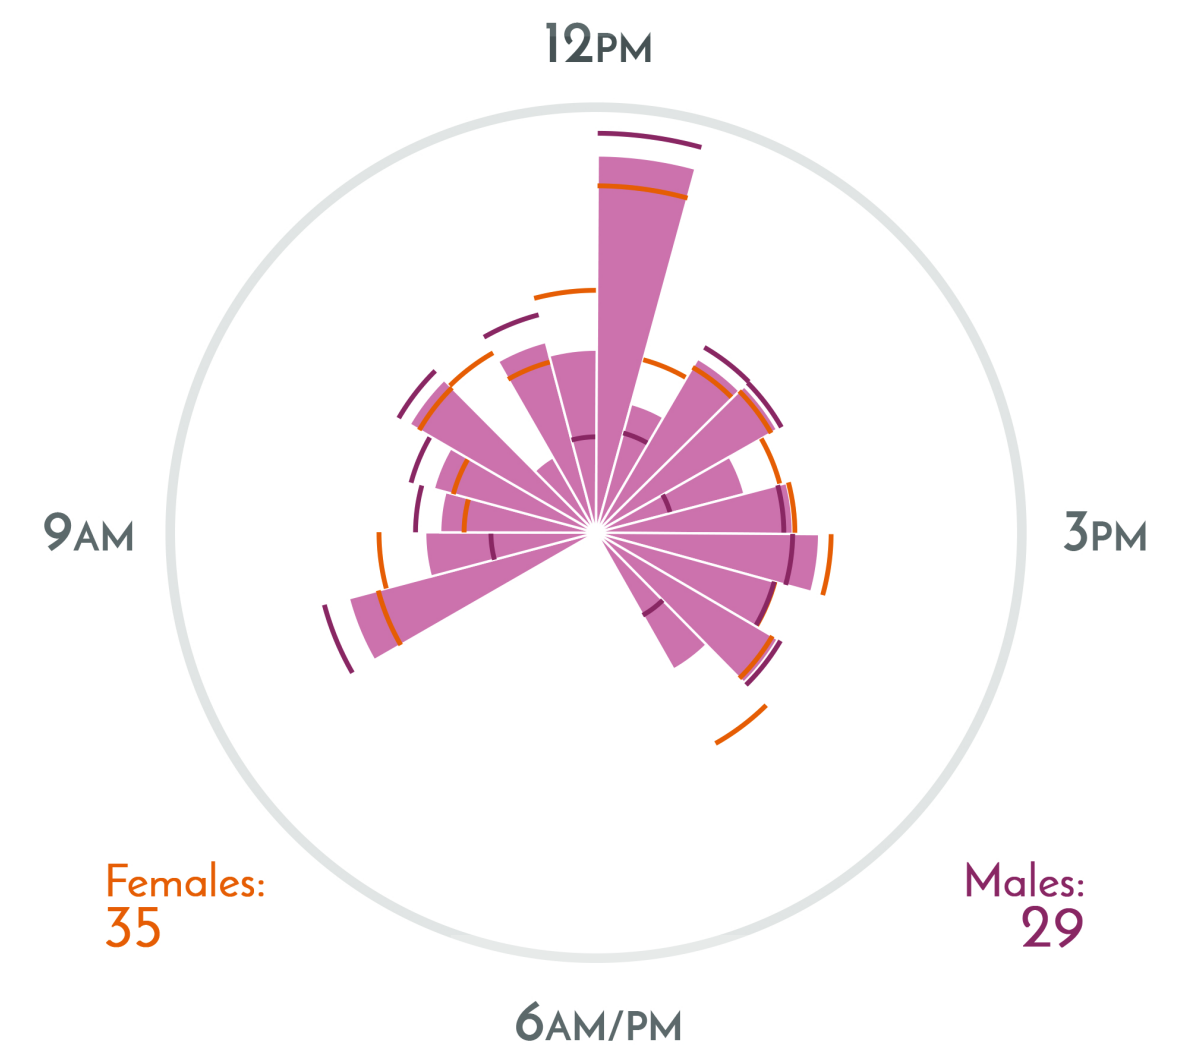

### ADVANCE BOOKING DAYS

Average days before a visit date that the appointment was scheduled.

### ADVANCE CANCELLATION DAYS

A weighted metric indicating how much notice is given with a cancellation. Higher numbers mean the appointment was cancelled well in advance.
