

LAUNCHPAD LINK

Your Custom Credit App Link

Simply add a custom credit app link to your website or send it to customers via text or email to have them complete and submit their credit applications online.

- ① FFC will create and send you a custom link.
- ② You place the link on your website or text/email to your customer.
- ③ Customer fills out application for credit.
- ④ We process the application, send you a decision email and update the information in your LaunchPAD portal.
- ⑤ You contact the customer with the decision. If it's approved you can get started with the paperwork.

That's it!
