Dr. James Dobson: Well, hello everyone. I'm James Dobson and you're listening to Family Talk, a listener supported ministry. In fact, thank you so much for being part of that support for James Dobson Family Institute.

Roger Marsh: Well, welcome to Family Talk. I'm Roger Marsh. And if you were with us yesterday, you heard quite a powerful message from our guest, Rabbi Jonathan Cahn. Rabbi Cahn joins us again today and will be with us again tomorrow, along with our co-host Dr. Tim Clinton, to discuss his latest book. It's called *The Josiah Manifesto: The Ancient Mystery and Guide for The End Times*.

Now, of course, Jonathan Cahn has been a really dear friend of Dr. Dobson and Family Talk for many, many years. He's the president of Hope of the World Ministries. And he also serves as the senior pastor and Messianic rabbi of the Jerusalem Center, Beth Israel in New Jersey. Rabbi Jonathan Cahn is a *New York Times* best-selling author and a renowned international speaker. And Rabbi Cahn is married to his lovely wife, Renata, and they have three sons. Let's join Rabbi Jonathan Cahn and our co-host, Dr. Tim Clinton, right here, right now on Family Talk.

Dr. Tim Clinton: Jonathan, welcome back. What a day yesterday. As we get started in this new book of yours, *The Josiah Manifesto: The Ancient Mystery and Guide for the End Times*. Jonathan, I'm stunned at the correlations that God has revealed, if you will, through your work, your research here. And as we get started, let me ask a question to all of us. Is it possible that there exists an answer, a guide, a blueprint that reveals what you need to know to survive, to stand, and to prevail in view of what's coming in the days ahead?

And it's been revealed to us in the appearing of a sign from an ancient mystery playing out in modern times before our eyes. *The Josiah Manifesto* opens up the stunning mysteries that lie behind the events unfolding right now before our own eyes. These keys unlock the answer, the God end, the manifesto so we all can stand and prevail in this hour and in light of what is yet to come. They're even now affecting our own everyday lives.

Jonathan, let me hand this back to you as we get started here on day two, talking about *The Josiah Manifesto*. Again, for those who were unable to listen yesterday, give us a quick recap of what the manifesto reveals.

Rabbi Jonathan Cahn: Yeah, I would say, what if there was a revelation that God is giving us now? What if God was giving us a message in the events of our times, that are really about that, about what we need to do? So many believers are looking and saying, "What do we do? What's going on?" Well, there's always an answer. And what if God is really showing us? And what if behind the events that we have all witnessed, we all just went through this plague, we've gone through shakings, what if there was actually a meaning in it? What if there was a mystery behind it? What if there was a mystery so precise from God, from the Bible that it actually ordains the exact times when these happened, and where it's going?

And I think all these things converge together to open up a key about what we need to know for what's coming. And one of the things I mentioned at the beginning of the last program is that this is the only book where almost every other mystery that began when my other books are kind of coming home to come together for an answer. I felt very strongly I had to write this now for God's people. I mean for people who are also not saved, but the answer part for God's people.

Dr. Tim Clinton: We started out talking also about your trip to Cuba and how really on the year of Jubilee, we saw a massive transformation. It was shocking.

Rabbi Jonathan Cahn: Yeah. And Tim, and I'm not... Listen, I don't claim that I know all these things. When I do something, I don't necessarily know why, but I was led to very clearly give to Fidel Castro, for those that didn't hear it, a prophetic object and a prophetic message. And it ended up, this mystery of God ended up giving the exact year that his reign would end that began in 1959. And not only the year, but the exact day. And not just the day, but the exact hour. And that mystery linked to Leviticus 25, actually is also the mystery that's been unfolding in America and has changed all of our lives.

Dr. Tim Clinton: And Jonathan, the connection on the issue of abortion and then the connection between abortion and the COVID pandemic, and how it even entered the country, the relationship there and more. As we go on through *The Josiah Manifesto*, you moved to a place where you began talking about the incident around January 6th, President Trump, and a king named Jehu.

Rabbi Jonathan Cahn: Yes.

Dr. Tim Clinton: Take us there.

Rabbi Jonathan Cahn: Tim, this began in the book that I wrote called, *The Paradigm*. But what happened, that happened after I wrote the book. Now first for those to get an idea, I've said that there are things that are replaying, and the answer to

everything's in the Bible. And God gives templates and God gives patterns. And the thing is that in the days when Israel was falling away from God, there was a pattern, there was a template that took place that actually modern American leaders without knowing it, are following that template. This is not saying that the Bible is prophesying these people. It's saying that there are templates of God.

And so I will just give a little kind of set up here and is that, and this is not political, but Donald Trump. Well, the mystery of Donald Trump in the paradigm is that he's following this template without knowing it, this man called Jehu. Jehu was wild, unpredictable. Well, Donald Trump is unpredictable and wild.

Dr. Tim Clinton: A man of controversy, you called him. Yes.

Rabbi Jonathan Cahn: Him a man of controversy. Absolutely. You know what, Tim? You can't say that, was Jehu a man of God? We can't say it, but we can say that he was used of God. And so the thing is that, yeah, he was a man of controversy and this Jehu who was fighting with everybody like Trump. He started this race to the throne that was a wild race. The Bible says, "It must be Jehu driving because he drives like a madman." It's a crazy race. Same with the race with Donald Trump. Jehu makes an alliance with the religious conservatives of his land. And he actually has a partnership with a pious man of God. And he rides to the Capitol with this man, exactly what Donald Trump does.

And then when Jehu gets to the throne, he comes face-to-face in a showdown with the nation's former First Lady. And the former First Lady in the Bible is of course, Jezebel. But in the case of America, it was Hillary Clinton. Now, I'm not saying a lot except to say that interesting on the issue of abortion, Jezebel was for the worship of Baal, which is the lifting up and sacrificing of children. Well, Hillary Clinton was the champion of abortion by Planned Parenthood of the century. So, you have the same things that in mind. So everybody was saying that Hillary Clinton was going to win, but the paradigm said that, "No, when they come face-to-face, Jehu will prevail and the former First Lady will not." So, that's exactly what happened.

Then Jehu goes to the capital city. And you know what his agenda is, Tim? His agenda is to drain the swamp. Trump comes in the same way. And again, we're not saying Trump is... This is not about Trump, it's about the paradigm of God. So, he comes there and he sees a gigantic temple of Baal. So in the capital city is this temple of Baal where they kill children. And Jehu tears it down. And the principle is that when Jehu rises, the temple of Baal falls to the earth.

Now, here's like a stunning thing. It turns out that there happened to be a temple of Baal that has still stood from ancient times in the world in Syria. And the thing is, when Donald Trump began his rise in the summer of 2015, two months later, the 2,000-year-old temple of Baal falls to the earth. The principle when Jehu rises, the temple of Baal falls. So, that's the beginning of his reign. But at the end of Donald Trump's term, something else happened.

Now, this Tim was not in *The Paradigm* because it came true after. But the template is in *The Paradigm*, and then it happened afterwards. And that is this, I will just say this, there is a, and I put it of course in the manifesto, and that is that there is a time in the Bible when Jehu calls people from all over the nation to gather in the capital city. Well, Trump does that as well. And by the way, anything I'm saying here, it's not condoning anything that happened. We're against anything that is of violence and all. But I'm talking about the template here and what it means. And so he calls together, Jehu calls the people to the capital city, so does Trump.

Then the people of Jehu surround a great capitol building. So now the people of Trump surround the actual Capitol building. And then according to the template in the Bible, the people of Jehu then lay siege or enter or storm the great Capitol building while there are proceedings going on inside the Capitol building. And so what happens at January 6th? Same exact thing. They go inside the storm it, they end... And by the way, I'm going to say this too, and I don't know if I mentioned this or not, the week that began January 6th, you know what something interesting happened? The new Congress was sworn in. It was Democrat led Congress. And the prayer that was lifted up, as they always lift up a prayer, was prayed in the name of Brahma. First time. It was inaugurated in the name of a false God, a pagan God. So, just a note that actually linked to the mystery.

Now, when the Capitol police announced that they had arrested onsite, the people in Washington on that first week when it happened, they made big headlines. They said, "We have arrested 80 people." If you go to the Book of Kings and you go to Jehu, the Hebrew says he number of those who stormed the capitol building was 80 men.

Dr. Tim Clinton: Jonathan, in the midst of it, the connecting points are eerie, if you will. Because as you begin to see the issue of abortion and the appointment of the president, President Trump, and you're talking about Jehu and the bringing down of Baal, bring those pieces together for us, because this is fascinating.

Rabbi Jonathan Cahn: Yeah, totally. The whole war, the image of the temple of Baal and Jehu, which actually frames Donald Trump's, the beginning of his rise and the end of his term, the beginning and end, it is about something, exactly what you said. The temple of Baal represented the killing of children. It was the vessel in which children were killed. And so in America, what is the vessel that legalizes across the land? It was *Roe versus Wade*. *Roe versus Wade* is a temple of Baal.

Now, let's say we didn't know anything. We came to this planet, we do know this paradigm, but we didn't know what was going to happen. Well, you look and we've got a Jehu, a man who's following without realizing it, who pulled down the temple of Baal. Then you have this temple of Baal of *Roe versus Wade*. What it's saying is that Donald Trump, again, we don't know his motives, but the fact is, he is going to be instrumental in pulling down abortion or *Roe versus Wade*. And that's exactly what happened.

And interesting, Tim, because Jehu originally was serving under Ahab and Jezebel, so he was for the temple of Baal. But then he changed. Well, Donald Trump was originally for abortion, but he changed. It's not about a person, it's about God. So he would be used, and as exactly as you said, he would be by nominating the three Supreme Court justice... And the last one was the most crucial happened just in the last window of time, like at the end of his time to do it, he nominated the three ones. Well, that would be instrumental. If he didn't do that, there's no way that *Roe versus Wade* would've been overturned. He needed every single vote.

And interesting thing is, there was talking about this battle between Jehu and the Temple of Baal. Interesting thing because when Trump was rising and running for the candidacy, it was like one month before the election, and he and Hillary Clinton both linked to New York, a strange object appears in New York. And the object that appears in New York is actually from or reproduced from the temple of Baal that fell when Donald Trump began to rise. They actually erected it in New York City. I was there, I witnessed it. We filmed it because they had a ceremony. It was on City Hall. They had the leaders of New York giving praise in this [inaudible], playing music of Baal. And they had a sign that said, "Temple of Baal." And they uncovered it and they applauded it. And this is a sign of a war going on. This is the war of, again, Jehu, Temple of Baal, abortion. And this was a sign that actually abortion is going to be overturned, or *Roe versus Wade*.

And then here's the other thing, Tim, when Trump nominated the second person, which was Kavanaugh, if you remember, it was a fury on Capitol Hill, because the issue of abortion, that was the reason. And while that was happening, while all hell was breaking loose on Capitol building, outside the Capitol building an object appears. It's the arch of Baal from the temple of Baal, the same arch. They erected it. And I'm not saying they knew what they were doing, but it appears right in front of the Capitol building, this war, which is ultimately over abortion. And ultimately this is going to, as in the pulling down of the temple of Baal, this is ultimately going to pull down *Roe versus Wade*.

Dr. Tim Clinton: So Jonathan, I'll make sure I've got the connecting points here. What you're saying is, abortion really was America's form of Baal worship.

Rabbi Jonathan Cahn: Yeah.

Dr. Tim Clinton: This goes back to killing our children.

Rabbi Jonathan Cahn: Tim, I spoke about this more on *The Return of the Gods*, but they were worshipping gods where they had to lift up their children on the altar. And one of the things is that when a nation that has known God turns away from God, it ends up, like what happened to Israel? They ended up offering their children. So, look what happened. As America started driving God out in the 60s, what happened at the end of that decade is, we started also offering up our own children, just like Israel did in the form of abortion. Israel offered up thousands

of children in the Valley of Hinnom. We have offered up over 60 million children, and that has a price.

Dr. Tim Clinton: So Jonathan, then the Jubilee nullifies, undoes what was done.

Rabbi Jonathan Cahn: That's right. That's exactly right. This all began in the... What we're talking about, we have the plague, which that's one form of inverting what happened. 50 years later, we have death to death. You take life, life is taken. But the other side is redemption because at the same time, what we've been living through, Tim, from this plague and all the connections with abortion, there's also a redemption beginning at the same time. Because the Jubilee, that's the other side, if it reverses what was done, it's going to reverse what was done with abortion or with *Roe versus Wade*. And that's exactly what... We're going to see a new mystery along the same pattern of the Jubilee, but it's going to be towards redemption.

Dr. Tim Clinton: You're listening to Family Talk a division of the James Dobson Family Institute. I'm Dr. Tim Clinton, co-host. Our special guest today, seven time New York Times bestselling author, Rabbi, Jonathan Cahn, all about his new book, I think it's his most explosive book yet, *The Josiah Manifesto: The Ancient Mystery and Guide for the End Times*.

It's a real work, Jonathan, to help us navigate these turbulent, crazy, insane waters that we find ourself in with hope. Doesn't mean Jonathan, that the road before us isn't going to be stormy or bumpy, or that we don't have to fight. As a matter of fact, there's a clarion call here, as we continue through this, to do that very thing. But again, it's filled with hope because while these are unprecedented times, Jonathan, God's at work, isn't He?

Rabbi Jonathan Cahn: Yeah. Listen, God's on the throne. Even when I wrote *The Harbinger*, I was surprised that many believers were saying, "This gave me hope because this is showing me the God of the Bible is actually in control, just as He was in the Bible." And that's exactly so.

Dr. Tim Clinton: Let's step back then and look at this connecting point, this Jubilee piece, if you will, and go back to Norma McCorvey, Henry Wade. What happened. It was filed, I don't think a lot of people know this, in 1970.

Rabbi Jonathan Cahn: Yes.

Dr. Tim Clinton: And that's significant as we fast-forward, if you will, to the *Dobbs versus Jackson* decision that went down, and how *Roe* was eventually overturned. Can you begin to connect all the points for us?

Rabbi Jonathan Cahn: Yes. It's that mystery. Now, it's the other side of the Jubilee, which is redemption. Well, on one hand, yeah, people don't realize it. As you say, *Roe versus Wade* was actually begun in 1970. That was as Norma McCorvey, a

troubled person who wanted an abortion because she wanted actually to drink and have drugs at the time, so she went to an attorney in Texas. And the thing is that when she went, was 1970, and actually it was late January. Interesting, because when you go forward 50 years, what happens in late January, 2020? The plague comes. And then when *Roe v. Wade* became a case, it became a case in March of 1970. So, what happens when you go to March, 2020? That's when the full weight of all this, of COVID comes on America.

But now there's a redemption side because God, he'll use something and he'll turn it around for good. So here was a case that was on the state levels, appealed by the state, and then it went to the Supreme Court. Well, what happens is go one Jubilee year, 1970, *Roe versus Wade* was sent to the Supreme Court. Well, 50 years later, that takes you to 2020, another case is sent to the Supreme Court, actually both in the summer, sent to the Supreme Court, and that is *Dobbs versus Jackson*. And that is going to overturn *Roe versus Wade*.

Now, *Roe versus Wade* was received, taken up by the Supreme Court Supreme in May, 1971. Well, what happens when you apply the mystery? Go forward 50 years, it takes you to May, 2021. May, 2021, *Dobbs versus Jackson* is taken up by the Supreme Court to match *Roe versus Wade*. Then *Roe versus Wade* was heard before it received its hearing in front of the Supreme Court in December of 1971. Well, apply the mystery of the Jubilee. It takes you to December of 2021. Anything happen? *Dobbs versus Jackson* received its hearing, the Jubilee of *Roe versus Wade*. In fact, Tim, remember before the verdict came out, it was leaked. Remember with *Dobbs versus Jackson*-

Dr. Tim Clinton: Yes, yes.

Rabbi Jonathan Cahn: ... it was a big leak. It went crazy, just before it came out. If you go back 50 years, *Roe versus Wade* was leaked, just before it came out.

Dr. Tim Clinton: I didn't know that. I was stunned by that.

Rabbi Jonathan Cahn: Yeah, yeah. Again, it's mind-boggling, and it's redemption.

Dr. Tim Clinton: I want to go back to a piece that you had written in here under the mystery of Sivan 23.

Rabbi Jonathan Cahn: Yes.

Dr. Tim Clinton: In it, you go back to the story of Esther. And it recounts how the Jews of Persia were saved from annihilation. I think it was Haman planned to exterminate the Jews, and then Esther steps in along with Mordecai, exposes his plan. But there was an ordinance of nullification that was given. And I thought this was really fascinating, and it was the 23rd day of the Hebrew month of Sivan.

Rabbi Jonathan Cahn: Yes. And Tim, I got to say something. It is a joy to do an interview with someone who has totally read every part. I am so blessed. Yes. So here, there's actually two mysteries here. One is, when Haman makes this decree that's going to bring death and destruction, it is linked to the Hebrew date Adar 13, which is the 13th day of the 12th month on the Bible's calendar. 13th day of the 12th Month, Decree of Death and Destruction. Well, the thing is *Roe versus Wade* received its hearing on the Supreme Court on December 13th, the 13th day of the 12th month, a decree of death and destruction. But then according to the mystery, when you go further, as you said, there's another decree that's issued to nullify the first decree. So it's a decree like the first decree, except it's going to nullify the death and destruction, and that is Mordecai's decree.

So the first thing is you see that as there was that decree or that case of *Roe versus Wade*, *Dobbs versus Jackson* goes through the same exact steps as *Roe versus Wade*. Just like Mordecai, when you read in Esther, Mordecai's decree goes through the exact steps that Haman's decree went through. So *Dobbs* goes through the same as *Roe vs. Wade*, step by step, actually in the exact time.

But finally, the Bible gives a date, when the decree of nullification goes forth. And the date is, it says, as you said, Sivan 23, it's done. It's goes forth to do its thing. Well, Sivan 23, okay, is a Hebrew date. Now, *Dobbs versus Jackson* went forth to the Supreme Court 50 years after *Roe versus Wade* did. Same time of year, same thing, but it went forth on June 15th, 2020, the jubilee of abortion on demand. It went there. And so June 15th. But on the Bible Hebrew calendar, it went forth on the day of Sivan 23, the day of the decree that is going to nullify the evil decree. That's when it went forth. In fact, Tim, that day, Sivan 23, Jewish people all over the world are in prayer praying for God to nullify all evil decrees. As they're praying for it, the very decree is going for to nullify *Roe versus Wade*.

Dr. Tim Clinton: It's just stunning. You can't make this up.

Rabbi Jonathan Cahn: No.

Dr. Tim Clinton: You can't. Hey, Jonathan, we're fighting time for our second day of the broadcast here. But I did want you just to tease out a little bit about the children of the Nile. And then begin to connect a little bit more here that was fascinating, as you look at the transition along with President Trump, who now is faced with the loss of Ruth Bader Ginsburg and the appointment. But there's some amazing pieces here that again, are shocking to me.

Rabbi Jonathan Cahn: Yeah, there are so many I can only tease. I'm sure we're going to get into it on the next program. But yeah, there's the mystery of the child of the Nile. That's somebody who's actually appointed born for that moment. There's also the mystery of the Hebrew Holy Days on which all these things are going to happen. It's almost like when you get to the point, it's going to be like all these mysteries are coming together to one moment to do what basically God is going to do. So I don't know if we have time to reveal the child of denial, or we'll tease that for the next program.

Dr. Tim Clinton: Let's do that on the next broadcast.

Rabbi Jonathan Cahn: Okay.

Dr. Tim Clinton: Jonathan, what a delight it's been to have you. *The Josiah Manifesto*, Jonathan's new instant best-seller, *The Ancient Mystery and Guide for the End Times*. Where can people get copies of this new book?

Rabbi Jonathan Cahn: Yeah, literally, *The Josiah Manifesto* just released right now, this week, so it's literally everywhere. If you go to Amazon, go online, anywhere where you get books, it's going to be there. Even in store at Walmart, Barnes & Noble, It's going to be everywhere. I always pray that people get it, not only for themselves, but also for those in their lives who need to know it.

Dr. Tim Clinton: Well, what a delightful conversation. What a hopeful conversation really, Jonathan, as we think about how God is it work in the midst of his people. It's not about the darkness, it's about the light.

Hey, on behalf of Dr. Dobson, his wife, Shirley, Rabbi Chan, what a delight to have you. We continue to pray for you, your wife, your children, your family, your ministry, that God would strengthen you and give you more boldness and courage in this day and hour. Thank you for joining us.
