

1 **TECHNICAL DOCUMENTATION RECEIPT**

2 **Equipment (or Component Intended for use on/in an Equipment)
Intended for use in Potentially Explosive Atmospheres
UKSI 2016:1107 (as amended)**

3 Receipt Number: **BAS22UKEX0044TDR**
4 Equipment or Component: **Revolution Pump**
5 Manufacturer: **Viking Pump Hygienic Limited**
6 Address: **Highfield Industrial Estate, Edison Road, Eastbourne, BN23 6PT**
7 Manufacturer's Reference for the Technical Documentation -

8 SGS Baseefa certifies receipt of Technical Documentation, identified above, in accordance with UKSI 2016:1107 (as amended) Schedule 3 Paragraph 14.

9 SGS Baseefa has not read the Technical Documentation, is not aware of its contents and has assumed that the manufacturer has prepared the Technical Documentation as required by UKSI 2016:1107 (as amended) Schedule 3A Part 6 "Internal Production Control".

10 SGS Baseefa will retain the Technical Documentation for a period not less than ten years from the date of issue of this receipt and will make it available to the relevant national authorities on request.

11 The period of retention may be increased on the request of the manufacturer, in order to preserve a record of the Technical Documentation for a period not less than ten years after last production of the equipment or component to which the Technical Documentation relates.

12 Unless confirmed otherwise in a later Technical Documentation Receipt Renewal, the Technical Documentation will be retained until 16/03/2035

13 The manufacturer may add supplemental information to the Technical Documentation during the period of retention but may not remove or otherwise alter the Technical Documentation during the period of retention.

14 Neither the number of this Technical Documentation Receipt, nor the SGS Baseefa Approved Body Number shall be marked on the equipment. The manufacturer shall hold this receipt available to the national authority on request but shall not use this receipt to make representations about the design of the equipment.
