SAMSUNG

Installation Specifications

A: Cabinet opening min 30"
B: Acceptable electrical outlet area

IMPORTANT: If your cabinets are over 36 1/4" high, you must install this range on a hard, heat-resistant support that raises the surface of the range so that it is about even with the countertop.

*30" minimum clearance between the top of the cooking surface and the bottom of an unprotected wood or metal cabinet; or 24" minimum when the bottom of the wood or metal cabinet is protected by not less than 1/2" of flame retardant millboard covered with not less than no.28 MSG sheet steel, or 0.015" stainless steel, 0.024" aluminum, or 0.020" copper.

**15" minimum between the countertop and the adjacent cabinet bottom.

IMPORTANT: Consult with Installation Manual for detailed instructions before installing. All ranges must be installed with the Anti-Tip device that is included.

Power Source
240V/208V/60 Hz/40A

User Manual

Warranty (U.S.A)**SAMSUNG ELECTRIC RANGE****LIMITED WARRANTY TO ORIGINAL PURCHASER WITH PROOF OF PURCHASE**

This SAMSUNG brand product, as supplied and distributed by SAMSUNG ELECTRONICS AMERICA, INC. (SAMSUNG) and delivered new, in the original carton to the original consumer purchaser, is warranted by SAMSUNG against manufacturing defects in materials or workmanship for the limited warranty period, starting from the date of original purchase, of:

One (1) Year Parts and Labor

This limited warranty is valid only on products purchased and used in the United States that have been installed, operated, and maintained according to the instructions attached to or furnished with the product. To receive warranty service, the purchaser must contact SAMSUNG at the address or phone number provided below for problem determination and service procedures. Warranty service can only be performed by a SAMSUNG authorized service center. The original dated bill of sale must be presented upon request as proof of purchase to SAMSUNG or SAMSUNG's authorized service center to receive warranty service.

SAMSUNG will provide in-home service within the contiguous United States during the warranty period at no charge, subject to availability of SAMSUNG authorized servicers within the customer's geographic area. If in-home service is not available, SAMSUNG may elect, at its option, to provide transportation of the product to and from an authorized service center. If the product is located in an area where service by a SAMSUNG authorized servicer is not available, you may be responsible for a trip charge or required to bring the product to a SAMSUNG authorized service center for service.

To receive in-home service, product must be unobstructed and accessible to the service agent.

During the applicable warranty period, a product will be repaired, replaced, or the purchase price refunded, at the sole option of SAMSUNG. SAMSUNG may use new or reconditioned parts in repairing a product, or replace the product with a new or reconditioned product. Replacement parts and products are warranted for the remaining portion of the original product's warranty or ninety (90) days, whichever is longer. All replaced parts and products are the property of SAMSUNG and you must return them to SAMSUNG.
