2026 User Group Meeting in Stavanger

Where discovery meets decision

Connecting subsurface science, probabilistic insights, and AI to turn uncertainty into confident, value-driven decisions.

DATE

September 24, 2026

VENUE

Norwegian Petroleum Museum, Yggdrasil meeting room, Stavanger

Time	Session	Speaker
08:15 – 08:45	Registration, coffee, and networking	
08:45 – 08:50	Welcome, safety moment, and opening remarks	Stuart Grossart *Business Manager, Reservoir Centre of Excellence* Halliburton Landmark TC Sandø *Business Manager, Reservoir Centre of Excellence* Halliburton Landmark
08:50 – 09:15	Fewer surprises, faster sanction: How the Reservoir Centre of Excellence delivers your assets	Atila Mellilo *Director, Reservoir Centre of Excellence* Halliburton Landmark
09:15 – 09:45	Shattering the reservoir paradigm	Vedad Hadziavdic *Senior Project Manager* Harbour Energy
09:45 – 10:00	*Coffee break and networking*	
10:00 – 10:30	Assessing predictive models and QC best practices in oil and gas development, from simulation to field validation	Marine Seignole *Discipline Lead - Reservoir Modelling, EXPRES - Geology Excellence* AkerBP
10:30 – 11:00	From first well to final investment decision: An exploration-to-development case study	Veronica Arrigoni General Manager, Reservoir Halliburton Landmark
11:00 – 12:00	Unlock reservoir insights, increase asset value through agentic modelling	Ehsan Salehi *Product Manager, Reservoir* Halliburton Landmark Kristian Jørgensen *Technical Advisor, Software Development* Halliburton Landmark
12:00 – 13:00	*Lunch and networking*	
13:00 – 13:30	Fast integrated resource screening and testing Halliburton Landmark	Veronica Arrigoni *General Manager, Reservoir* Halliburton Landmark
13:30 – 14:00	Turning field development plans into capital decisions you can defend	Truls Olsen-Skåre *General Manager, AAM* Halliburton Landmark
14:00 – 14:55	Decision-ready in weeks, not years — From subsurface ensemble to sanctioned concept in one connected model	Arnfinn Grøtte *Chief Digital Transformation* AkerBP
15:00 – 15:15	*Coffee break and networking*	
15:15 – 15:45	InformatiQ acquisition: Efforts to remove barriers between domains in the digital space	Ulf Vegard Jensen *General Manager* InformatiQ - Halliburton Landmark
15:45 – 16:15	Closing remarks, questions, audience feedback	Stuart Grossart, TC Sandø
17:00 – 18:30	*Networking – reception*	
18:30	Dinner
