Adapt[®]

Commercial Condensing Gas Tankless Water Heater

Introducing A. O. Smith's Adapt[®] commercial condensing gas tankless water heater, delivering high efficiency, on-demand performance with the flexibility to install in practically any commercial setting. With a 96% thermal efficiency, a 0.95 Uniform Energy Factor (UEF), and ultra-low NOx emissions, the Adapt[®] commercial tankless water heater lowers operating costs while satisfying environmental standards.

Built to Last

- Durable stainless-steel construction
- Fewer welds for enhanced durability
- Resistant to scale buildup and corrosion

Built to Perform

- Up to 199,000 BTU/h, up to 10.5 GPM
- ENERGY STAR[®] certified (0.95 UEF)
- 96% thermal efficiency, ultra-low NOx emissions

Built to Adapt

- Multiple venting options (PVC, CPVC, Polypropylene)
- Vent up to 150 ft - 1/2" gas line or larger
- Common venting up to 12 units - cascade up to 32 units

Warranty

- 8-year on heat exchanger
- 5-year parts warranty

X3[™] SCALE PREVENTION TECHNOLOGY
(optional)
