

Access to your pharmacy data anytime

**Evolving our approach with a streamlined client portal
for easy and secure data access.**

Get Real-Time Access to Your Information

- All your data, in one convenient, secure location
- Obtain individual invoices in a single, consolidated format
- Receive and retrieve files quickly and securely

Support Your Employees

- View and edit member and eligibility data
- Download or email temporary ID cards

Obtain Self-Service Configurable Reports

- Save, share, and schedule an array of configurable reports*
- Access claims, identify trends and utilization, and view stop loss reports

**Talk to your RxBenefits Account
Manager to learn more.**

**Clients who receive scheduled reports today via DataNet will automatically receive scheduled reports in the same cadence through the My RxBenefits Plan portal. You must be a registered user to retrieve the reports.*
